Dated the 8th December 2017

As per list attached.

Subject: General Operating Guidelines for Registration of OEMs and Vehicles Models under FAME India Scheme.

Sir/Madam,

This is in continuation of Department of Heavy Industry's office memorandum no. 21(37)/NAB/DIDM/2014 dated 27th April 2015 & dated 20th July 2015 on the subject cited above and subsequent gazette notification S.O. 3012(E) dated 12/09/2017 notifying the inclusion of fully electric buses under FAME India Scheme.

2. The undersigned is directed to inform that it has been decided in the interest of better financial management of the scheme that all proposals for supplying electric buses by OEMs registered under FAME India Scheme shall be first brought to the notice of the Department of Heavy Industry in writing. Once a go ahead is given by DHI, the OEMs will become eligible for FAME incentives as per the ibid Gazette Notification.

3. OEMs are therefore, requested to follow the above instructions and await the directions from DHI before accepting any order where it is proposed to avail benefits for fully electric buses under the FAME India scheme. This will facilitate smooth rollout and management of demand incentives for electric buses under the scheme.

4. This has approval of the competent authority.

Yours faithfully

(Ajay Kumar Gaur)
