**Sub: Revised General Operating Guidelines for Registration of OEMs and Vehicles Models**

Sir,

Revised General Operating Guidelines for Registration of OEMs and Vehicles Models were issued under this office no. F 21(37)/NAB/DIDM/2014 dated 27<sup>th</sup> April, 2015.

2. Attention is invited to serial no. 2 under Para 4.1. of guidelines where "Driving License" has been mentioned as independent document. Query from different sectors has been received to clarify as to whether "Driving License" is a mandatory document to be obtained from the customer for each and every sale of vehicle.
3. This has been examined in this office and it is clarified that "Driving License" is **NOT** a mandatory document under FAME Scheme. This may be accepted as one of the documents as ID/residence proof.
