## संदेश

आजादी का अमृत महोत्सव प्रगतिशील भारत के 75वें वर्ष का उत्सव मनाने और जनता, संस्कृति तथा देश की उपलब्धियों के गौरवशाली इतिहास को स्मरण करने की भावत सरकार की एक पहल है। इसी पहल के तहत भारी उद्योग मंत्रालय 10 से 16 जनवरी 2022 तक आजादी का अमृत महोत्सव मना रहा है।

भारी उद्योग मंत्रालय ऑटोमोटिव और कैपिटल गुरुज क्षेत्र सहित विश्व स्तर पर प्रतिस्पर्धी, हरित और तकनीक-आधारित विनिर्माण क्षेत्र के विकास पर ध्यान केंद्रित कर रहा है, जिससे विकास और रोजगार सृजन को बढ़ावा मिलता है। इस विजन को साकार करने के लिए मंत्रालय ने भारत में इलेक्ट्रिक वाहनों का तीव्र अंगीकरण और विनिर्माण (फेम) स्कॉम, राष्ट्रीय उन्नत कॉम्प्यूटी सेल (एसीसी) बैटरी भंडारण कार्यक्रम, ऑटोमोबिल और ऑटो घटक के लिए उत्पादन संबद्ध प्रोत्साहन (पीएलआई) रक्रीम, भारतीय कैपिटल गुरुज क्षेत्र में प्रतिस्पर्धा संवर्धन रक्रीम आदि सहित कई पहलें शुरू की हैं।

भारी उद्योग मंत्रालय ने अपने सीपीएसई और स्वायत्त निकायों के सहयोग से, आजादी का अमृत महोत्सव के समारोहों के लिए नवाचार, विनिर्माण उत्कृष्टता, आत्मनिर्भर भारत, पर्यावरण और वहनीयता, स्वच्छ भारत, स्वस्थ भारत, स्वतंत्रता संग्राम आदि विषयों पर ध्यान केंद्रित करते हुए 10-16 जनवरी, 2022 के सप्ताह के दौरान देश भर में 40 से अधिक स्थानों पर Action/75, Achievements/75, Ideas/75 और Resolve/75 जैसे विषयों को केंद्र में रखते हुए कार्यक्रमों और क्रियाकलापों की श्रृंखला की योजना बनाई है। इन कार्यक्रमों में लोकार्पण, नए उत्पादों की शुरुआत, प्रौद्योगिकी प्रदर्शनियों, तकनीकी प्रदर्शनियां, सेमिनार, वेबिनार, विशेषज्ञ व्याख्यान, योग और ध्यान सत्र, स्वास्थ्य शिविर, भूले हुए स्वतंत्रता सेनानी नायकों को याद करना, स्वतंत्रता संग्राम और आंदोलनों आदि पर बच्चों के बीच सांस्कृतिक कार्यक्रमों, स्वच्छता अभियानों और प्रतियोगिताओं का आयोजन करना इत्यादि शामिल हैं।

यह सुनिश्चित करने पर जोर दिया गया है कि सप्ताह भर चलने वाले इन समारोहों का आयोजन "Whole of Government Approach" से किया जाए और सभी कार्यक्रमों में जन-भागीदारी हो। कार्यक्रमों के दौरान कोविड-19 के अनुरूप, परस्पर सुरक्षित दूरी बनाए रखने और स्वच्छता प्रोटोकॉल सुनिश्चित करने के निर्देश भी जारी किए गए हैं।

हमारा अनुरोध है कि आप सब आजादी का अमृत महोत्सव के तहत दिनांक 10 से 16 जनवरी, 2022 तक भारी उद्योग मंत्रालय के इस आयोजन में अपनी सहभागिता अवश्य करें।

## MESSAGE

Azadi Ka Amrit Mahotsav is an initiative of the Government of India to celebrate and commemorate 75 years of progressive India and the glorious history of its people, culture and achievements. As part of this initiative, Ministry of Heavy Industries is celebrating the Azadi Ka Amrit Mahotsava from 10 to 16 January 2022.

Ministry of Heavy Industries is focused on developing a globally competitive, green and technology-driven manufacturing sector including automotive and capital goods sector, which propels growth and job creation. To achieve this vision the Ministry has launched a series of initiatives including the Faster Adoption and Manufacturing of Electric Vehicles (FAME) Scheme, National Programme on Advanced Chemistry Cell (ACC) Battery Storage, Production Linked Incentive (PLI) scheme for Automobile and Auto Components, Scheme for Enhancement of Competitiveness in the Indian Capital Goods Sector etc.

As part of the celebrations of Azadi Ka Amrit Mahotsava, Ministry of Heavy Industries in association with its CPSEs and Autonomous Bodies has planned series of events and activities at over 40 locations across the country during the week of 10 to 16 January 2022 focusing on themes of Actions@75, Achievements@75, Ideas@75, Resolve@75 and Freedom Struggle in areas of Innovation, Manufacturing Excellence, Atamanirbhar Bharat, Environment & Sustainability, Swachha Bharat, Swastha Bharat, Unsung Heroes of Freedom Struggle etc. The events include Inaugurations, New Product launches, Technology Demonstrations, Technical Exhibitions, Seminars, Webinars, Expert Lectures, Yoga and Meditation sessions, Health Camps, Cultural Programs, Cleanliness Drives and Competitions amongst children on Freedom Struggle and Movements, etc.

It has been emphasized to all units of the Ministry to follow "Whole of Government Approach" and ensure people's participation i.e Janbhagidari in the events and activities in the week-long celebrations. Directions have also been issued to ensure Covid-19 social distancing & hygiene protocols during the events and activities.

We urge everyone to participate in the planned celebrations of Ministry of Heavy Industries from 10 to 16 January 2022 under Azadi Ka Amrit Mahotsava.

## Azadi Ka Amrit Mahotsava Celebrations of Ministry of Heavy Industries

Azadi Ka Amrit Mahotsav is an initiative of the Government of India to celebrate and commemorate 75 years of progressive India and the glorious history of its people, culture and achievements. Azadi ka Amrit Mahotsav is an embodiment of all that is progressive about India's socio-cultural, political and economic identity. The official journey of Azadi ka Amrit Mahotsav commenced on 12 March, 2021 which marked a 75-week countdown to the 75th Anniversary of our Independence on 15 August 2022, and will continue for a year thereafter till 15 August 2023.

As part of the celebrations of Azadi Ka Amrit Mahotsava, Ministry of Heavy Industries in association with its CPSEs and Autonomous Bodies has organized over 125 events and activities across

the country through the year 2021 from March to December. These included flagging off of Electric Buses at Goa, inauguration of High Speed Test Track at NATRAX, Indore, Technology Innovation Platforms developed under Capital Goods Scheme, Solar Electric Vehicle Charging Station and prototype Air Pollution Control Tower (APCT) at Noida indigenously designed and developed by BHEL by Hon'ble Minister Heavy Industries. Other activities included Webinars on technical topics, Seminars, Hackathon, Technical Exhibitions, Master Class lectures, Talk Shows, New Product Launches, Technical Writing Competitions etc.

As part of AKAM celebrations, Ministry of Heavy Industries (MHI) organized a Round Table to Promote Electric Vehicles on December 4, 2021 at Goa. Dr Mahendra Nath Pandey, Hon'ble Minister of Heavy Industries was the Chief Guest. Shri Krishan Pal Singh Gurjar, Hon'ble Minister of State for Power & Heavy Industries and Chief Minister of Goa graced the event. Ministers of Transport from States, Chief Secretaries/Senior Officers from Centre, States, Industry Leaders from Automotive Sector, Start Ups and Technical Experts participated in the Round Table and deliberated out strategies to promote adoption of Electric Vehicles in India and attract investment in manufacturing of Electric Vehicles, batteries and high technology automotive components in India. Electric Buses for Goa were also flagged off by Hon'ble Minister of Heavy Industries during the event.

As part of AKAM celebrations, Dr Mahendra Nath Pandey Hon'ble Minister for Heavy Industries dedicated India's first BHEL built Coal to Methanol (CTM) pilot plant, to the Nation on 15 January 2022. Management and staff of BHEL and officers of Ministry of Heavy Industries were present in the virtual ceremony. The 0.25 TPD capacity CTM pilot plant, indigenously designed, developed and installed by BHEL, is currently producing methanol with purity of more than 99% from high ash Indian coals. Significantly, this conversion of high ash Indian coals to methanol through the gasification route, is the first of its kind technology demonstration in India. During his address Hon'ble Minister emphasised that BHEL, one of the largest engineering and manufacturing enterprise has a crucial role to play in building an Atmanirbhar Bharat and meeting India's climate change mitigation commitments.

Hon'ble Minister for Heavy Industries also inaugurated an exhibition on 'Products Developed under Aatmanirbhar Bharat' organised at BHEL's Hyderabad unit. In addition, an audio-visual presentation was made on the 'Unsung Heroes of the Indian Freedom Struggle' belonging to the Telangana Region. BHEL employees joined the program virtually from multiple locations across the country. While participants logged-in to the online event in large numbers, the event was also webcast live where scores of employees watched the proceedings through the broadcast mode.

Shri Krishan Pal Gurjar, Hon'ble Minister of State for Power & Heavy Industries, inaugurated a webinar via video conferencing on 11 January 2022, on "Power Plant Flexibilization – A Key to Grid Stability" and "Industry 4.0 – Success with Smart Solutions", held at BHEL's Electronics Division, Bengaluru. Power plant flexibilization and implementation of Industry 4.0 are important for enhancing power generation with accent on reducing carbon emissions. The deliberations focussed on Flexible Operation of Thermal Power Plant for Integration of Renewable Energy, Flexibilisation Challenges in coal based Thermal Units and Way Forward, Green Energy, Grid Stability, SMART I 4.0 Solutions for Power & Industry, Future trends in power Electronics Devices and Topologies etc. National and international experts, industry representatives and academia participated in the Webinar and presentations.

**Hon'ble Union Minister for Heavy Industries dedicates BHEL's indigenously-developed, India's first Coal to Methanol Pilot Plant to the Nation as part of Azadi Ka Amrit Mahotsav**

As part of the Azadi Ka Amrit Mahotsav celebrations, Hon'ble Union Minister for Heavy Industries, Dr. Mahendra Nath Pandey dedicated India's first, BHEL-built Coal to Methanol (CTM) pilot plant, to the Nation on 15.01.2022 in Hyderabad. Dr. Nalin Shinghal, CMD, BHEL, Shri Jeetendra Singh, Joint Secretary, Ministry of Heavy Industries, Functional Directors on the Board of BHEL and senior officials of the Ministry of Heavy Industries and BHEL were present in the virtual ceremony.

Dr. Pandey also inaugurated an exhibition on 'Products Developed under AAatmanirbhar Bharat' organised at BHEL's Hyderabad unit. In addition, an audio-visual presentation was made on the 'Unsung Heroes of the Indian Freedom Struggle' belonging to the Telangana Region. BHEL employees joined the program virtually from multiple locations across the country. While participants logged-in to the online event in large numbers, the event was also webcast live where scores of employees watched the proceedings through the broadcast mode.

Speaking on the occasion, the Hon'ble Minister said that one of the important goals of our Hon'ble Prime Minister Shri Narendra Modi's vision is to build a self-reliant nation. The role of the manufacturing sector will be crucial in realising this vision. The government has already highlighted the importance of the manufacturing sector through schemes like Make in India and AAatmanirbhar Bharat. The capital goods industry is the backbone of the manufacturing sector. It provides critical inputs such as machinery and equipment to a broad set of user industries. Being the largest engineering and manufacturing enterprise, the role of BHEL in fulfilling the vision of the Government is of particular importance. As announced by our Hon'ble Prime Minister in the recently concluded COP26 meeting, BHEL will have to play an important role in building an Aatmanirbhar Bharat to meet India's climate commitments.

Dr. Nalin Shinghal, CMD, BHEL, while enumerating the initiatives undertaken by BHEL during the 'AKAM Iconic Week' celebrations, thanked the Ministry of Heavy Industries and the Government for supporting BHEL on a sustained basis. Addressing the participants, he said that R&D has always been one of BHEL's core strengths and BHEL is focussed on playing a leadership role on the path to achieving the Hon'ble Prime Minister's 'Panchamrit' vision @ the United Nations Climate Change Conference (COP26).

Notably, the 0.25 TPD capacity CTM pilot plant, indigenously designed, developed and installed by BHEL, is currently producing methanol with purity of more than 99% from high ash Indian coals. Significantly, this conversion of high ash Indian coals to methanol through the gasification route, is the first of its kind technology demonstration in India.

Experts Lecture was arranged on 12th January, 2022 Wednesday between 10:00AM to 11:15AM. Mr Arindam Lahiri, CEO, Automotive Skill Development Council (ASDC) delivered a talk on Skilling Initiatives, and Higher Education and the Role of NEP on the Education Framework.

The experts' lecture was attended by engineering students from all over India, industry experts and employees from ARAI. About 80 participants attended the event.

Dr Reji Mathai, Director ARAI laid stress on the easy availability of learning platform to the

current engineering students; but the pressing question on “how do I take steps to secure my job/career?” Director, ARAI added that ARAI is playing a vital role in skills development and providing industry exposure.

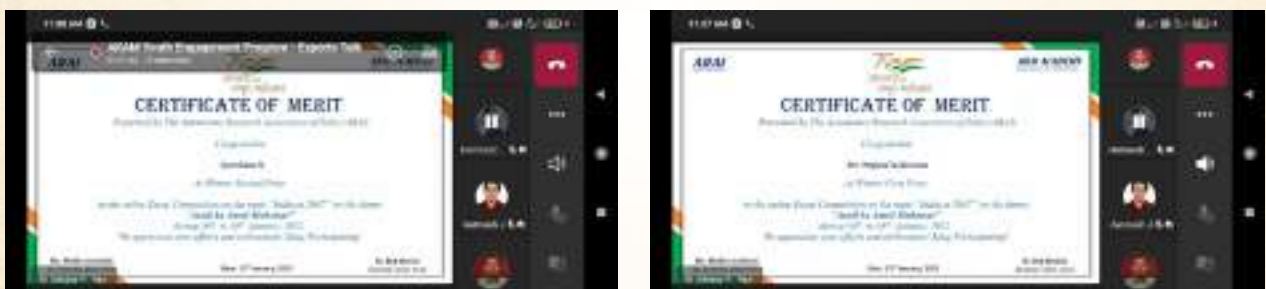

Mr Arindam Lahiri illustrated that there has been a tectonic shift in the environment that we operate in, typically in the last two years. Workplace have been significantly impacted; humans are being assisted by robots as well as cobots. India has a genuine challenge to overcome such as internet connectivity for far-remote areas. Mr Lahiri also said that the National Education Policy (NEP) would opt for education in native language; significance of vocational training. NEP would require structural interventions in higher education. The parity arising due to language supremacy would vanish over time. NEP also will invoke the dignity of labour by stressing the significance to vocational training. The academic bank of credit with multiple entry/exit level would be included in the curriculum. For higher education, research and innovation and an infrastructure as National Research Foundation (NRF) is a prime importance.

Mr. Lahiri concluded that India has moved way ahead in this time of test; and would sustain itself to reach the dream of developed country by 2047.

The complete event was attended by 80 participants from diverse background giving a real meaning to Janbhagidari.

The event was concluded with the Vote of thanks given by Dr. Sanjay Patil, GM, Academy.

One of the days in AKAM week was "ARMY DAY", celebrated on 15th January. On the ARMY Day, "The Pendulum Type Bumper Test Facility" was inaugurated at the hands of Outstanding Scientist & Director, Research & Development Establishment (Engrs.), Shri Pradeep Kurulkar on 15th Jan 2022 in ARAI, Kothrud. The actual test was demonstrated on M1 category vehicle by performing frontal impact test at 4 Km/Hr.

The facility is used to test vehicles under regulatory provision in compliance with CMVR rules as per IS 15901:2010. It also caters testing as per ECE R42 safety standard. The purpose of this test is to assure exterior protection of elements located at front and rear ends of the vehicle against small shocks and low energy impacts.

The Facility was designed and built in-house in ARAI and uses the pendulum impact method to validate the tests. All M1 category vehicles are subjected to the above test. This test ensures that lighting & signalling, engine cooling, fuel lines, bonnet / boot lids, doors, engine/vehicle exhausts, propulsion, steering, braking and suspension remain in working condition in the event of a slow speed crash.

An invaluable gift of ancient Indian tradition, Yoga has emerged as one of the most trusted means to boost physical and mental well-being. The word "Yoga" is derived from the Sanskrit root yuj meaning "to join", "to yoke" or "to unite", symbolizing the unity of mind and body; thought and action; restraint and fulfilment; harmony between human and nature, and a holistic approach to health and well-being.

With an objective towards health and well-being of ARAIians and their family members, ARAI had arranged a "Yoga Camp / Meditation" for employees and their family members. Considering the current pandemic situation, session was done thru virtual mode. Under the guidance of Yoga Guru "Mrs. Swati Joshi", various Asanas, Pranayama and Meditation were performed. Yoga Guru explained the importance & benefits of Yoga and also reiterated all to make this a habit in our day to day life to gain maximum benefits.

Session was conducted on 16th January 2022 from 7.0am to 7.45am to mark the AKAM week celebration.

An Electric Vehicle (EV) is one that operates on an electric motor, instead of an internal-combustion engine that generates power by burning a mix of fuel and gases. Such a vehicle is seen as a possible replacement for current-generation automobile, in order to address the issue of rising pollution, global warming, depleting natural resources. Electromagnetic Compatibility means the ability of a vehicle or component(s) or separate technical unit(s) to function satisfactorily in its electromagnetic environment without introducing intolerable electromagnetic disturbances to anything in that environment. EMI is a phenomenon while EMC is an equipment characteristic or a property not to generate EMI above a certain limit and not to be affected or disturbed by EMI. The statement "Live and Let Live" is the best way to describe EMC.
