Department of Heavy Industry

MONTHLY SUMMARY OF SIGNIFICANT ACTIVITIES FOR AUGUST, 2016

1. Government of India has approved the proposal on 10-8-2016 for financial support to BHEL for R&D Project for Development of Advanced Ultra Super Critical (AUSC) Technology for Thermal Power Plants on a Mission Mode involving an estimated expenditure of Rs.1554 crore with a contribution of Rs.270 crore from BHEL, Rs.50 crore from NTPC, Rs.234 crore from IGCAR and Rs.100 crore from Department of Science and Technology. Balance amount Rs.900 crore will be provided by Department of Heavy Industry to BHEL as Gross Budgetary Support for implementation of this R&D project spread over a period of three years commencing from 2017-18.
2. An Inter-Ministerial Standing Committee (IMSC) for technology development for Capital Goods sub-sectors has been notified by Cabinet Secretariat's order dated 18.08.2016. The said IMSC will be chaired by Dr. V.K. Saraswat, Member, NITI Aayog and will identify technology gaps and upgrade technologies in the Indian Capital Goods Industry. The Committee will also review technology gaps highlighted by the Industry and suggest a technology development roadmap for Capital Goods sub-sectors.
3. In compliance of Cabinet Decision dated 27th January 2016, a Memorandum of Understanding (MOU) for transfer of 478.307 hectares of land of NATRAX, Pithampur by Central Government through Department of Heavy Industry to State Government of Madhya Pradesh has been signed by the officers of respective Governments on 24th August 2016, after due consultations with State Government and vetting of the same by M/o Law & Justice, Govt. of India.
4. Mr. Tomasz Lukaszuk, the Ambassador Extraordinary and Plenipotentiary of the Republic of Poland and the representative of JBM group (an Indian Automotive Company which has recently signed a Joint Venture Agreement with Solaris, an important bus manufacturer from Poland, met officers of this Department on 29th August, 2016 to discuss the prospective cooperation between Polish and Indian automotive industry.
5. Minister (HI&PE) addressed the Inaugural Session of the 56th Annual Meeting of Automotive Component Manufacturers Association (ACMA) on 30th August,

2016 at New Delhi. A Panel Discussion on "Winning with Quality & Innovation" was also held where Secretary, HI participated as a panelist.

6. Minister (HI&PE) also addressed the Society of Indian Automobile Manufacturers (SIAM) Annual Convention on 31st August 2016 at New Delhi. A Panel Discussion on "Policy Alignment" was also held where Secretary, HI participated as panelist.
7. The Joint Secretary in charge of Andrew Yule & Co., a CPSE under this Department visited Georgia at the request of Ministry of Agriculture, Georgia to assess the viability of reviving Georgian Tea Industry and explore possible avenues of cooperation between Andrew Yule & Co Ltd and Government of Georgia in Tea Sector. The visit was also intended to review and assess the market of Yule Teas including Iced Teas, the current penetration and steps required to increase the same in that part of the world. The visit was also an opportunity to assess the export of bulk/ value added Teas to some of the neighboring countries like, Azerbaijan, Ukraine/ Kazakhstan.
8. An Expert Committee has been constituted under the chairmanship of Dr. V. K. Saraswat, Member, NITI Aayog to examine and recommend regarding the revival of HEC, Ranchi. The said Committee met twice during August, 2016 (on 9th and 13th August), for technological appraisal of the modernisation plan prepared by HEC.
9. A meeting chaired by Secretary, MSDE was held on 29-08-16 for reviewing the progress made by different ministries in the area of Skill Development in the sector specific to the Ministry/ Department. Department of Heavy Industry informed about skill development activities undertaken in the auto sector and capital goods sector. A meeting was also convened under the chairmanship of Addl Secretary, Heavy Industry on 29th August, 2016 with the Skill Development Councils and four important PSUs representatives to discuss the skill gap issues and to prepare a road map to bridge the same through skill development project initiatives.
10. BHEL has achieved a provisional turnover of Rs. 9416 crore up to August, 2016 as against Rs. 7900 crore, an increase of 19 % over the corresponding period of last year.
