Chairman's Address

67th Annual General Meeting of HMT Limited

Dear Shareholders, Ladies and Gentlemen,

It gives me pleasure to extend a very warm welcome, to each one of you, on behalf of the Board of Directors, as well as, on my own behalf, to the 67th Annual General Meeting of your Company. I take this opportunity to convey my best wishes to all those present here and those participating virtually as also to those not able to participate. I thank all the persons who have been associated with this great organisation, for being with us.

The Notice convening AGM, the report of the Directors, Auditors and the audited accounts for the year ended 31st March 2020 has been provided to all the shareholders of the Company.

Global Outlook

After collapsing in the first half of the year, the economic output recovered following the easing of measures deployed to contain the COVID-19 pandemic and the initial re-opening of businesses. Policymakers reacted rapidly and massively to buffer the initial blow to incomes and jobs and to restore confidence so that economies can recover. The unprecedented policy support by governments needs to become more targeted and be flexible enough to adapt to changing conditions so that increased consumer and business confidence can boost jobs and demand. Growth momentum has started picking up in international markets with easing of restrictions in many countries. However, for some businesses, the Covid-19 has also presented multiple new opportunities.

Indian Economy

In India, growth is estimated to have slowed to 4.2% in FY 2019-20 and output is projected to contract by 9.6% in 2020-21 in view of impact of COVID-19 which would keep private spending and investment lower for longer period. Urban India continues to fight the

growing menace of the pandemic, both on the health and the economic front. While addressing issues around Covid-19, along with the containment strategy, the Government took various measures for fiscal stimulus to open up economic activity, such as relief under MNREGA Scheme, Direct Transfer of Cash, Minimum Support Price, Emergency Working Capital to Farmers, Collateral-free automatic loans to MSMEs along with setting up liquidity facilities and partial credit guarantees to NBFCs etc. Also, additional thrust has been placed on corporate social responsibility measures for mitigation of the repercussions of the pandemic. With these, Government aims to achieve progress, prosperity and quantum jump in development.

Manufacturing and impact on Future of Indian Economy

The Government of India has identified manufacturing as critical to the future of the economy. The world after COVID-19 will be different with structural changes in production, consumption and work patterns. A lesson learnt from the Covid-19 crisis is that manufacturers need to be agile in an ever-changing environment to regain their footing amidst continued volatility in costs and policy decisions. While uncertainty may continue in the foreseeable future, the capability of manufacturers to increase resilience in their operations based on their core competencies would yield prosperity to the stakeholders.

Major structural reforms launched by the Government – in agriculture markets, labour laws and definition of MSMEs – provide unparalleled opportunity for this resilient sector to grow and prosper now and thereby contribute to job creation in the primary and secondary sectors. The modified definition of MSMEs facilitates expansion and growth of these enterprises, without fearing the loss of government incentives, thereby avoiding the phenomenon of dwarfs among MSMEs. The resulting economies of scale can enhance

productivity without the MSMEs losing out on several government incentives including interest subvention, collateral-free loans, market support, export promotion, preferential procurement in the public sector and enabling of IT ecosystems.

To support this, thrust has been provided to digitisation across areas like the supply chain, communication, marketing, sales etc and for mobilizing partnerships within ecosystems to drive targeted business goals.

HMT's contribution to mitigate Covid pandemic

Your Company also took up the opportunity to address the pandemic with collaborated efforts and developed a UV Disinfection Tunnel in collaboration with Sri Chitra Tirunal Institute, which will help disinfect various touch points of the passengers / people and installed it in various centres including Kochi Airport, Kannur Airport etc. as well as development of Isolation Pods for testing of Covid-19 patients. Your Company has also tied-up with Indian Institute of Technology, Hyderabad for developing 3 Variants of Ventilators which are under trials and testing.

During the Covid-19 period, health and safety of employees, customers and stakeholders has been accorded top priority along with the mission of serving the customers' needs. Your Company re-started the manufacturing operations at the Units as per the guidelines of National Disaster Management Authority during May 2020 and established standard operating procedures for work under the Covid-19 scenario.

Performance & Business accomplishments

During the year 2019-20, your Company's main business portfolio of Food Processing Machinery business recorded a growth of 23.39% in production (Rs.20.99 Crore in 2019-20 as against Rs.17.01 Crore in the previous year), and 34.59% in Sales (Rs.22.02 Crore in 2019-20 as against Rs. 16.36 Crore in the previous year). The total turnover of the Company for the year 2019-20 stands at Rs. 26.13 Crore as against Rs. 19.60 Crore during 2018-19. The Profit Before Tax during 2019-20 is Rs. 28.04 Crore as against Rs. 25.66 Crore in the previous year. HMT Group of Companies

achieved an aggregate Production of Rs.234.41 Crore and Rs. 260.30 Crore of revenue from operations.

The growth of dairy industry is fuelling the demand for equipment in the sector. The Company is bringing out new products and equipments to capture the emerging demand.

Initiatives at the Subsidiaries

The Subsidiaries of your Company undertook several initiatives during the year 2019-20.

Machine Tools Business

HMT Machine Tools Limited achieved Sales of Rs. 176.23 Crore and Production of Rs.213.42 Crore during the period as compared with Rs. 217.41 Crore and Rs. 238.83 Crore respectively during the previous year. The Company' net loss registered at Rs. 98.72 Crore as against Rs. 63.83 Crore in the previous year. The Company procured orders valued Rs.164.96 Crore against Rs. 253.33 Crore in the previous year. The reduction in production and sales as well as increase in loss was mainly due to the effect of Covid-19 as the Company could not complete several finishing and despatch activities in the last quarter due to non-receipt of imported material, inability of customers to come for pre-dispatch inspection as well as travel restrictions to send engineers for erection and commissioning.

During the year, the Company entered into tie-ups for development of UV Disinfection Tunnel, Isolation Pods and Ventilators. The Company has provided Industrial Training and Internship to students. The Company also successfully designed, developed and supplied Flow Forming Machine, Directing Gear of Variants like Alpha P7, Talwar, CNC Twin Spindle Cylindrical Grinding Machine and CNC Vertical Facing Mill with 200 Ton Rotary table under "Make in India" Initiative of the Government. Several Technology Tie-ups for technology enhancement and product upgradation are on the anvil.

During the year, the Company has also initiated activities related to plant modernisation at its manufacturing Units and investments have been planned to modernise the plants in a phased manner.

Exports

The other operative subsidiary, HMT (International) Limited has also performed well to achieve its highest turnover of Rs.67.15 Crore since inception as against Rs. 57.07 Crore recorded in the previous year. The Company has recorded a Net Profit before Tax of Rs.3.88 Crore as against Rs.2.02 Crore previous year.

New orders valued Rs.42.26 Crore have been procured during the year. Agreements have been signed for execution of various projects and supplies abroad and completed certain projects abroad. Several machines have already been supplied under this Agreement and it is expected that the project would be completed during the current year.

Action on directions from Government for Closure of subsidiaries and Tractor Division

As per decision of the Government, the operations of HMT Watches Limited, HMT Chinar Watches Limited, HMT Bearings Limited and HMT Tractor Division have been closed and all the employees have been relieved.

HMT Chinar Watches Ltd has been approved for voluntary liquidation under the provisions of Insolvency and Bankruptcy code 2016 and the Insolvency Professional appointed to finalise the voluntary liquidation of the Company has filed the petition with NCLT.

HMT Bearings Limited has been taken up for closure under section 271 and 272 of Companies Act, 2013 and Consultant appointed for preparation of documents and Petition for Voluntary Winding up has been filed for the same before the NCLT, Hyderabad.

Closure related activities in HMT Watches Limited are under progress, while the Tractor Division has been closed and the plant and township is now part of the Auxiliary Business Division (erstwhile Common Services Division) of the Company.

FUTURE OUTLOOK:

Food Processing Machinery

The growth of food processing industry is fueling the demand for equipment in the sector. HMT Food

Processing Machinery Unit at Aurangabad has planned modernization of its Plant and Machinery and is also developing and supplying upgraded / new versions of its products like Homogenizers, Continuous Butter Making Machines, Chillers, etc.

Machine Tools

The machine tool market depends on Capex Plans and investments of its customers. The economic slowdown during 2019-20 is likely to continue during 2020-21 in view of the economic consequences of Covid-19 crisis which would affect the Capex plans of the customers. However, the Company envisages increased revenues, by focusing on sectors and customers for customized hi-tech machines with the inherent capability of in-house R&D, Technology Tie-ups, Joint Working Arrangements, etc.

In view of thrust given by the Government for the Make in India program and monetary stimulus with the aim for ease of doing business increased demand is expected for machine tools by the fourth quarter of 2020-21. The pending Orders for Machine Tools is over Rs.300 Crore as on 30.9.2020.

Your Company is pursuing indigenization and technology absorption through In-house Research & Development, Technology tie-ups and Joint Working Arrangements and new product development to meet the needs of Defence, Power, Aerospace, Railways, Nuclear sectors, etc and reduction in import content in Machine Tools Sector. Further, the Company plans to setup Vocational Training Centres for Machine Tools in Capital Goods Sector as well as Skill Development Centres, R&D Centres, Common Facility Centres and Incubation Centres. In this direction, the Company has plans to develop Technology Portal viz., "HMT TechPort" to promote collaboration and sharing of knowledge, expertise and experience amongst Industries, R&Ds, Academia, MSMEs, Start-ups, Professionals, Students etc. along with the policy makers in the Machine Tool Sector.

Exports Business

The Company is gearing up to increase its revenues in the coming years by taking up HMT's products and

other Engineering Goods to newer destinations and to take up more turnkey projects in under-developed and developing countries. HMT(I)'s orders pending stands at Rs.53.40 Crore as on 30.9.2020.

Your Company will continue to strive for a consistent growth rate to match the expectations of its stakeholders. While your Company is committed to accelerate growth, it will persevere to achieve best standards of Corporate Governance and Ethical Business Practices with emphasis on transparency, accountability and professionalism in working, with the aim of enhancing long term economic value to all stakeholders and society at large.

The performance of the Company is measured in terms of the economic, environmental and societal parameters augurs will to reinforce the image of HMT as a socially responsible Corporate Entity. Sustainability in HMT is the continuing commitment to behave ethically and contribute towards economic development while improving the quality of life of its employees, their families and the local community and society at large. The philosophy of greening the environment will continue in the near future.

Corporate Governance

Your Company strives constantly in adopting and maintaining the highest standards of values and principles. The Company is complying with Government Guidelines on Corporate Governance framed by Department of Public Enterprises for CPSEs.

Acknowledgement

I take this opportunity to express my sincere gratitude for the immense support received by your Company

from the Hon'ble Minister for Heavy Industries & Public Enterprises, the Secretary (Heavy Industry), the Joint Secretary and other Officers in the Department of Heavy Industry as well as the Department of Public Enterprises in the Ministry of Heavy Industries & Public Enterprises as well as Ministry of External Affairs. I am also grateful to the officers in the Ministry of Finance, the Comptroller & Auditor General of India and the Statutory Auditors etc., for all their support for smooth operations of the Company. I sincerely thank the State Governments concerned, Joint Venture Partners, Suppliers, Banks and Financial Institutions for their valuable assistance and support. The valued customers of the Company both in India and abroad deserve special mention for their continued patronage.

I would also like to express my sincere thanks and appreciation to my esteemed colleagues on the Board and to all **HMTians, and their families**, for unswerving commitment, continued co-operation and for maintaining cordial relations during the year.

BUSINESS SCENARIO:

As per the provisional estimates of national income released by Central Statistics Office, the growth rate of

Gross Domestic Product (GDP) at constant (2011-12) prices for the year 2019-20 is estimated at 4.2 per cent, as compared to the growth of 6.1 per cent in 2018-19.

The growth in Gross Value Added (GVA) at constant basic prices for the year 2019-20 is estimated at 3.9 per cent, as compared to 6.0 per cent in 2018-19. At the sectoral level, the growth in the 'agriculture, forestry and fishing', 'mining & quarrying', 'manufacturing', 'trade, hotels, transport, communication and services related to broadcasting' is estimated to be 4.0 percent, 3.1 percent, 0.03 percent and 3.6 percent respectively in 2019-20.

The cumulative growth of Index of Industrial Production (IIP) with base 2011-12 for the period April '19 - February '20 over the corresponding period of the previous year stands at 0.9 percent. However for the Period April '19 - March '20 the IIP registered cumulative growth of (-) 0.7 percent over corresponding previous year.

The Eight Core Industries comprise 40.27 per cent of the weightage of items included in the Index of Industrial Production (IIP). The cumulative growth of the eight core industries during April to March, 2019-20 was 0.6 per cent.

The manufacturing sector's growth was 3.1 per cent during February '20 and -20.6 percent during March '20 as compared to growth of 3.9 per cent during 2018-19.

After experiencing a downtrend for five months till January 2020, India's merchandise exports managed around 3 percent growth in February 2020 over the same month last fiscal. However, exports in March conceded an unprecedented 34.57 percent decline year-on-year as outbreak of Corona Virus caused large scale disruptions in supply chains and demand, resulting in cancellation of orders. Merchandise exports were recorded at USD 21.41 billion during the said month as against USD 32.72 billion in March 2019. In Rupee terms, the decline was somewhat thinner at 29.98 percent.

Cumulative value of merchandise exports for the period April-March 2019-20 was USD 314.31 billion as against USD 330.08 billion during the last fiscal,

registering a 4.78 percent fall in Dollar terms. In rupee terms, the decline was 3.52 percent.

The COVID pandemic has affected the flow of manufacturing activities. The supply chain has been disrupted causing delay in dispatch of the machines.

Further in sectors like automobiles, the investment in new machines has been either postponed or cancelled due to reduced demand.

The demand from Government sectors like Defence, Railways etc are also not forthcoming due to budget constraints.

It is expected the time period for businesses to return to the pre covid state would be 12 to 18 months.

OPERATING RESULTS

Group has registered profit of Rs. 147.31 Crore against Rs. 143.82 Crore during the previous year.

FUTURE OUTLOOK

Food Processing Machinery

The Food Processing Industry has emerged as one of the important segment in terms of its contribution to Indian economy, as it contributes 9 % and 11% of GDP in Manufacturing and Agriculture sector respectively.

The contribution of the food processing sector to Gross Value Added (GVA), employment and investments is significant. It is estimated that the gross value of plant and machinery deployed in food processing sector, by the year 2024-25 will be USD 51.41 billion.

The growth in the processing equipment market in India is driven mainly by the increased demand for processed food products. There is a need to adopt new methods, technology, and machinery for the food processing industry with least impact on sensory qualities such as colour and texture. Technological advancements are necessary for the growth of the sector and for the diversification of the existing production capacity of the food processing industry.

The Government is encouraging the technological advancements for the industry by providing specific incentives to the sector in terms of duty reductions, duty exemptions etc. Given this scenario, there is an abundant opportunity for various multinational companies to explore the manufacturing of equipment for food processing sector in India.

A Dairy Processing & Infrastructure Development Fund (DIDF) has been set up with an outlay of USD 1.67 billion during the period from 2017-18 to 2028-29. Out of 1.67 billions USD of financial outlay for project components of DIDF, 1.23 billions USD shall be loan from NABARD to National Dairy Development Board (NDDB) and National Dairy Development Cooperation. This investment is expected to benefit 95,00,000 farmers in about 50,000 villages.

Under Dairy Processing and Infrastructure Development Fund (DIDF) Government of India to provide Interest subvention upto 2.5% to NABARD from 2019-20 (with

effect from 30.07.2019) to 2030-31 and in case there is any further increase in the cost of funds, it shall be borne by the end borrowers themselves.

The funding period (2017-18 to 2019-20) of the scheme is revised to 2018-19 to 2022-23 and the repayment period to be extended upto 2030-31 with spill over to first quarter of the FY 2031-32.

The sub sector manufacturing dairy products had a compounded annual growth rate of 13 per cent in fixed capital and 16 per cent in total output over seven years, from 2008-09 to 2014-15. This reflects huge capital deployment in the segment as well as growth in the output for the segment. Projecting the growth of the segment for the next 10 years at the current growth rate of 13 per cent, the investment in fixed capital is estimated to be Rs. 66124 Cr. by the year 2024-25.

The growth of food processing industry is fuelling the demand for equipment for the sector. The Indian food processing market has the presence of most of the global equipment manufacturing companies. Factoring the growth for gross value of dairy plant and machinery at 81 per cent of fixed capital, the expected size of the segment is estimated to be Rs. 53566 Cr., by the year 2024-25.

Machine Tools Market in India

Machine Tool sector is a basic capital goods industry. It is a sub-sector of the engineering industry included under the category heavy engineering units. Machine Tool segment produces mother machines and therefore plays a vital role in the technological upgradation, quality control and cost, in the engineering & manufacturing sector.

The Indian Machine Tool Industry is expected to grow at a CAGR of 12.6% by 2020 and 13% during 2020-2024. The machine tool market in India is expected to reach USD 2,588 million by 2020 and poised to grow by USD 1.9 billion during 2020-2024.

As per the latest 'World Machine Tool Output Survey' by Gardner's publication, India occupies 9th rank in production and 7th rank in consumption of machine

tools globally. The country is set to become a key player in the global machine tools industry and is likely to see substantial high end machine tools manufacturing.

The machine tool market is driven by the rising industrial automation in India. The growth of the automotive industry in India is one of the major factors for the market's growth. The automotive and auto components industry has accounted for about 40% of machine tools consumption in India. In addition, the adoption of 3D printing technology is anticipated to boost the growth of the machine tools market in India. Machine Tool Sector is expected to become more competitive and offers several opportunities for investment. Technology tie-ups with global machine tool companies can create opportunities for Indian companies to develop their business overseas. Given the current gap between demand and supply, there is a clear need for adding capacities in this sector.

The industry is moving towards increasingly sophisticated CNC machines, driven by demand from key user segments such as automobiles and consumer durable, Aerospace etc. The use of such automated machines lowers the cycle time and increases throughput for manufacturers. Development and proliferation of automation, robotics, artificial intelligence, machine learning and control solutions are presenting significant opportunities for machine tool industry.

Moreover, "Make in India" initiative introduced by the Government of India has identified automobiles, auto-components, biotechnology, defence, railways and textiles for development. Machine tool industry will be the key enabler in this journey as automobiles, auto-components, defence and railways have been the main users of machine tools. It gives great opportunity for the sector to grow at 20-25 percent annually to increase its market share. Consumption demand is expected to grow at 15.0 percent, and the domestic production meets less than 50.0 percent of the domestic demand.

MANAGEMENT DISCUSSIONS AND ANALYSIS

INDUSTRY STRUCTURE AND DEVELOPMENT

The food processing industry is of great significance as it provides linkages between agriculture and industry. Although still at a nascent stage, the sector has been growing at a good pace. The Government of India has initiated several steps in the past few years to accelerate this sector.

Food processing has become an integral part of the food supply chain in the global economy, and India has also seen growth in this sector in the last few years. The sector contributes around 11% of agricultural value-added and 9% of manufacturing value added.

OPPORTUNITIES AND THREATS

According to the Ministry of Food Processing Industries (MoFPI), the sector employs 12.8% of the workforce in the organized sector (factories registered under Factories Act, 1948), and 13.7% of the workforce in the unorganized sector. Despite being one of the largest producers of agricultural and food products in the world, India ranks fairly low in the global food processing value chains. In fact, as with the rest of India (most other sector), this sector is also largely unorganized and informal.

At present, India's agricultural exports predominantly consist of raw materials, which are then processed in other countries, again indicating the space to move up the value chain. Despite India being one of the largest producers of agricultural commodities in the world, agricultural exports as a share of GDP are fairly low in India relative to the rest of the world.

OUTLOOK

A Dairy Processing & Infrastructure Development Fund (DIDF) has been set up with an outlay of USD 1.67 billion during the period from 2017-18 to 2028-29. Out of 1.67 billions USD of financial outlay for project

components of DIDF, 1.23 billions USD shall be loan from NABARD to National Dairy Development Board (NDDB) and National Dairy Development Cooperation (NCDC). This investment is expected to benefit 95,00,000 farmers in about 50,000 villages.

Under Dairy Processing and Infrastructure Development Fund (DIDF) Government of India to provide Interest subvention upto 2.5% to NABARD from 2019-20 (with effect from 30.07.2019) to 2030-31 and in case there is any further increase in the cost of funds, it shall be borne by the end borrowers themselves.

The funding period (2017-18 to 2019-20) of the scheme is revised to 2018-19 to 2022-23 and the repayment period to be extended upto 2030-31 with spill over to first quarter of the FY 2031-32.

The sub sector manufacturing dairy products over seven years, from 2008-09 to 2014-15 had a compounded annual growth rate of 13 per cent in fixed capital and 16 per cent in total output. This reflects huge capital deployment in the segment as well as growth in the output for the segment. Projecting the growth of the segment for the next 10 years at the current growth rate of 13 per cent, the investment in fixed capital is estimated to be Rs. 66124 Cr. by the year 2024-25.

RISK AND CONCERNS

Gaps in the supply chain are perhaps the biggest challenge faced by this industry. Preprocessing losses occur due to lack of awareness and a dearth of storage and pack-house facilities close to the production vicinity. The shortage of refrigerated vehicles is reflected through losses occurring at the transport stage.

The launch of the Pradhan Mantri Kisan Sampada Yojana is aimed at bridging the infrastructure gap. In fact, 100% foreign direct investment in food processing units has been allowed.

SEGMENT WISE / PRODUCT WISE PERFORMANCE OF FOOD PROCESSING UNIT

- o SS Centrifugal Pumps: Well accepted in the market due to its robust design and performance.
- o Cream Separators: Very good market for cream separators of capacity 1 kl, 2 kl & 3 kl.
- o Homogeniser: Homogeniser (manually operated) of capacity 1 kl to 5 kl is well accepted in the market, efforts are being made to introduce the hydraulic version.
- o Milk Pasteuriser/Chiller: Presently, market needs design with clip-on-type gaskets & minimum thickness of the plates. In line with the market expectations, the product is being redesigned.
- o Continuous Butter Making Machine: Monopoly product, however, automation of this product with CIP system is being worked out to further enhance its acceptance. Development of Salted Butter Making Version can have positive impact on the market.

FINANCIAL PERFORMANCE

ADDENDUM TO DIRECTORS REPORT FOR THE YEAR 2019-20 IN RESPECT OF OBSERVATIONS MADE BY STATUTORY AUDITORS ON THE ACCOUNTS OF HMT LIMITED FOR THE YEAR ENDED 31ST MARCH 2020

Audit Observations	Management Reply
<p>Food Processing Machinery Unit, Aurangabad</p> <p>Inventory valuation as stated in Note No. 1.9 stock of raw material is valued by adopting Weighted Average Cost method. However, in the inventory statement provided for verification purpose, correctness of stock items rates could not be verified due to absence of sufficient and appropriate audit evidence. Owing to the nature of Company's records and in the absence of sufficient audit evidence, we are unable to ascertain if there is material departure from the Weighted Average Cost Method of valuation adopted by company. We are also unable to ascertain its consequent impacts, if any, on the Ind AS financial statements.</p>	<p>The inventory is valued using Weighted average cost method</p> <p>There are some 5-10 items of stores (Consumables) valued incorrectly due to system error/software drawback. It will be corrected at the earliest and the said stock will be valued as per purchase cost from PO. Hence there is no material impact with the valuation of inventories</p>
<p>Tractor Business Group, Pinjore</p> <p>1) Lease Rental Income from leased out portions of land, apartments, school etc. belonging to HMT Ltd., (Tractor Division) Pinjore, has not been accounted for as "Other Income" in the books of HMT Ltd., (Tractor Division) but accounted in HMT Machine Tools Ltd., since financial year 2017-18. Accordingly, during Financial Year 2019-20, a sum of Rs.278.88 Lakhs has not been accounted as rental income in the books of HMT Ltd., (Tractor Division) along with expenses relating to Estate Operation. In the absence of the required records which were not presented to us we are unable to ascertain the impact on this standalone Ind AS financial statements</p>	<p>Immediately after the closure of Operations of Tractor Business Group, Pinjore it was decided by the Company to handover the rental income from HMT estate to HMT Machine Tools, Pinjore correspondingly all expenses of estate were also shifted to HMT Machine Tools Ltd, Pinjore further with effect from 1.4.2020 the income and expenditure will be transferred and accounted for in the books of HMT Ltd.</p>

<p>2) The company has obtained Inventory valuation report from a Registered Valuer whereby based on the value provided the inventory was valued at Rs.279.15 lakhs as on 31st March 2020, however the book value of the said inventory is Rs.1,126.34 lakhs. Considering the drastic reduction in the value provided by the Registered Valuer, we are of the opinion that the company has to obtain the inventory valuation from another Registered valuer to establish the correctness of the said valuation. Consequently, we are unable to quantify the impact of the same on the standalone Ind AS financial statements</p>	<p>Tractor Division was put on closure by GOI and there were no production activities since March, 2017. In order to liquidate the inventory, valuation of the inventory was carried out through M/s S V Engineers & Consultants in September, 2018. The inventory was valued at Rs. 689.67 lakhs against basic Cost of Rs. 1126.33 lakhs. At this realizable value, efforts were made to sell inventory in open market and to various Units of Machine Tools of HMT. But response was very poor due to many factors as detailed below-</p> <ul style="list-style-type: none"> - Very low population of HMT tractors in market due to declining production level for more than 10 years and closure of the factory from 2017 onwards. - The inventories are tailor made for use in HMT Tractors only and can't be used on any other tractor. - Most of inventory items are of slow moving nature which remained unsold over a long period of time. - Due to ageing, many of the items/child parts have crossed their shelf life during the year cannot be used (Items like Rubber, Gaskets, O Rings are used in most of the subassemblies in stock). Other items made of ferrous is getting rusted with continuous climate changes, are likely to fetch only scrap value. <p>Considering the above reality, inventory was evaluated again from M/s S.V. Engineers & Consultants. After random inspection of the components and considering the poor condition of the inventory, obsolete nature, market conditions etc arrived on revised NRV of Rs. 279.15 Lakhs from NRV of Rs. 689.67 Lakhs. Impact of NRV has been taken as Rs. 436.66 and Revised NRV as Rs. 460 Lakhs (excluding WIP) as on 31.03.2019 and 31.03.2020 respectively.</p>
---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

<p>3) Consequent to closure of Tractor Division, the Company has not carried out impairment test pursuant to Ind AS 36 – Impairment of Assets on its Plant, Machinery and Other Equipment as it has carried at Written down Value. Consequently, we are unable to ascertain the impact of impairment loss on the standalone Ind AS financial statements.</p>	<p>Senior Technical Officers of the Company have examined the Assets and Assets Values and assessed that there is no impairment in value and the value recorded in Books of accounts are fully realizable. As such, Quantum of loss due to “Impairment of Assets as required by INDAS 36 is recorded as “NIL” as mentioned in Note No. 3 Property, Plant and Equipment.</p>
<p>Corporate Head Office and Company as a whole</p>	
<p>1) Non-confirmation of balances of Trade Receivables, Loans and Advances, Trade Payables and other Current Liabilities and its consequential impact if any on the standalone Ind AS financial statements cannot be quantified</p>	<p>Confirmation and reconciliation of balances are obtained in all major parties. Disclosures has been made to this effect in Note no.44</p>
<p>2) Employer and Employee contribution towards Provident Fund is transferred and invested in Provided Fund Trust which is a defined benefit plan. The Company has not obtained Actuarial Valuation Report as per Ind-AS 19 and has not accounted for actuarial gain or loss.</p>	<p>HMT Limited (Holding Company) has five subsidiary Companies, viz., 1) HMT Machine Tools Limited, 2) HMT Watches Limited, 3) HMT (International) Limited, 4) HMT Bearings Limited and 5) HMT Chinar Watches Limited. The PF Trusts of various Units of the Subsidiary companies are situated in different locations, viz., Bangalore, Pinjore, Hyderabad, Kalamassery, Ajmer & Srinagar. Further, combinations of two or more Subsidiary Companies PF accounts are being maintained by single PF Trust.</p> <p>Further, HMT Watch Factory, Ranibagh PF Trust had been taken over by the Office of The Regional Provident Fund Commissioner’s w.e.f. 01.09.2010.</p> <p>For implementing Indian Accounting Standard bifurcation of income & expenditure, assets & liabilities of PF Trust is required and since in the PF trust Account, income & expenditure statement and balance sheets are common for the employees of different Companies / Units managed by it, as such, it is very difficult to bifurcate the same. However, all our efforts are being made to compile the required information for the purpose of actuarial valuation</p>

<p>3) The Company for Impairment on Trade receivables as per Ind-As 109 apply expected credit loss (ECL) model for measurement and recognition of impairment loss. However, as per the information and explanation given to us no ECL matrix was prepared for the period under audit for creating provision for loss allowance. Hence, we are unable to ascertain its consequent impact, if any, on the standalone Ind AS financial statements</p>	<p>The Company is periodically reviewing the Trade Receivables and necessary provision has been made in the books of accounts wherever it is doubtful. The Trade receivable considered good are fully realizable. As such there is no ECL during the year.</p>

INDEPENDENT AUDITOR'S REPORT

To the Members of HMT Limited

Report on Audit of the Standalone Ind AS Financial Statements

Qualified Opinion:

We have audited the Standalone Ind AS financial statements of HMT Limited ("the Company") which comprise of Standalone Balance Sheet as at 31st March, 2020, the Standalone Statement of Profit and Loss, Standalone Statement of Changes in Equity, the Standalone Cash Flow Statement for the year then ended, and notes to Ind AS financial statements including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the matters described in the Basis of Qualified Opinion section of our report, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Standalone Balance Sheet, of the state of affairs of the Company as at 31st March, 2020 and
- (b) in the case of the Standalone Statement of Profit and Loss including Other Comprehensive Income, of the profit for the year ended on that date.
- (c) in the case of the Standalone Statement of Change in Equity, the changes for the year ended on that date.
- (d) in the case of Standalone Cash Flow Statement, of the flow of cash in the Company for the year ended on that date.

Basis of Qualified Opinion:

1. Food Processing Machinery Unit, Aurangabad:

Inventory valuation as stated in Note No. 1.9 stock of raw material is valued by adopting Weighted Average

Cost method. However, in the inventory statement provided for verification purpose, correctness of stock items rates could not be verified due to absence of sufficient and appropriate audit evidence. Owing to the nature of Company's records and in the absence of sufficient audit evidence, we are unable to ascertain any material departure from the Weighted Average Cost Method adopted by the company. Consequently, we are unable to ascertain its impact, if any, on the standalone Ind AS financial statements.

2. Tractor Business Group, Pinjore (including Hyderabad Assembly Project & Mohali unit):

- a. Lease Rental Income from leased out portions of land, apartments, school etc. belonging to HMT Ltd., (Tractor Division) Pinjore, has not been accounted for as "Other Income" in the books of HMT Ltd., (Tractor Division) but accounted in HMT Machine Tools Ltd., since financial year 2017-18. Accordingly, during Financial Year 2019-20, a sum of Rs.278.88 Lakhs has not been accounted as rental income in the books of HMT Ltd., (Tractor Division) along with expenses relating to Estate Operation. In the absence of the required records which were not presented to us we are unable to ascertain the impact on this standalone Ind AS financial statements.
- b. The company has obtained Inventory valuation report from a Registered Valuer whereby based on the value provided the inventory was valued at Rs.279.15 lakhs as on 31st March 2020, however the book value of the said inventory is Rs.1,126.34 lakhs. Considering the drastic reduction in the value provided by the Registered Valuer, we are of the opinion that the company has to obtain the inventory valuation from another Registered valuer to establish the correctness of the said valuation. Consequently, we are unable to quantify the impact of the same on the standalone Ind AS financial statements.

Indian Accounting Standards

- c. Consequent to closure of Tractor Division, the Company has not carried out impairment test

pursuant to Ind AS 36 – Impairment of Assets on its Plant, Machinery and Other Equipment as it has carried at Written down Value. Consequently, we are unable to ascertain the impact of impairment loss on the standalone Ind AS financial statements.

3. Corporate Head Office and Company as a whole:

- a. Non-confirmation of balances of Trade Receivables, Loans and Advances, Trade Payables and other Current Liabilities and its consequential impact if any on the standalone Ind AS financial statements cannot be quantified.

Indian Accounting Standards

- b. Employer and Employee contribution towards Provident Fund is transferred and invested in Provident fund Trust which is a defined benefit plan. The company has not obtained Actuarial Valuation Report as per Ind-AS 19 and has not accounted for actuarial gain or loss.
- c. The company for Impairment on Trade receivables as per Ind-As 109 apply expected credit loss (ECL) model for measurement and recognition of impairment loss. However, as per the information and explanation given to us no ECL matrix was prepared for the period under audit for creating provision for loss allowance. Hence, we are unable to ascertain its consequent impact, if any, on the standalone Ind AS financial statements.

The effect on revenue on all the above transactions are not ascertained.

We conducted our audit in accordance with the Standards on Auditing (“SAs”) specified under section 143(10) of the Companies Act, 2013 (“the Act”). Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our

audit of the standalone Ind AS financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Material Uncertainty Related to Going Concern:

Attention of the members is invited to Note 41 of the standalone Ind AS financial statements regarding the reasons for preparing these standalone Ind AS financial statements of the Company on going concern basis, notwithstanding the fact that Tractor business of the company is closed down. The appropriateness of the said basis is inter-alia dependent on the Company’s ability to realise from sale of non-current assets held for sale, support from Government of India and other business plans. We have relied on the representation of the Company in this respect. Our opinion is not modified in this respect.

Key Audit Matters:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements for the financial year ended March 31, 2020. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor’s responsibilities for the audit of the standalone Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone Ind AS financial statements. The results of our audit procedures, including the procedures performed to

address the matters below, provide the basis for our audit opinion on the accompanying standalone Ind AS financial statements.

Key audit matters	How our audit addressed the key audit matter
Adoption of Ind AS 116 - Leases	
<p>The company has adopted Ind AS 116 which deals with recognition, measurement, presentation, and disclosure of leases of both Lessor and Lessee. We have considered this as a key audit matter, since Ind AS 17 was covering the “Leases” upto Financial Year 2018-19.</p>	<p>Our Audit Procedures included the following:</p> <ul style="list-style-type: none"> • We have verified the accounting, measurement and presentation for Leases which is in line with the Ind AS 116. • We have examined the disclosures as required by Ind AS 116 in financial statements. • We conclude that there are no material non-compliance with the accounting policy as no material difference between Ind AS 116 and Ind AS 17 on Accounting of leases in the books of the Lessor.

Emphasis of Matter Paragraph

We draw your attention to Note No.43 of standalone Ind AS financial statements for the financial year ended 31st March, 2020 on the impact of COVID -19 on the Business operations of the Company and its Financial Statements pursuant to the Accounting & Auditing Advisory issued by Institute of Chartered Accountants of India (The ICAI) on impact of Corona Virus on Financial Reporting and the Auditor’s Consideration. The Company is of the view that the impact of Covid-19 lockdown is temporary and does not have any material impact on its Financial Statements as at 31.03.2020 and hence has not made any provision in its books of account. Our opinion in this matter is not modified.

Other Information [“Information Other than the Standalone Ind AS Financial Statements and Auditor’s Report Thereon”]

The Company’s Board of Directors are responsible for the Other information. The other information comprises the information included in the Company’s Annual Report but does not include the standalone Ind AS financial statements and our Auditor’s report thereon. The Other information is expected to be made available to us after the date of Auditor’s report.

Our opinion on the Standalone Ind AS financial statements does not cover the Other information and

we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Ind AS financial statements, our responsibility is to read the Other information identified above when it becomes available and, in doing so, consider whether the Other information is materially inconsistent with the Standalone Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Management’s Responsibility for Standalone Ind AS Financial Statements:

The Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting

policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the standalone Ind AS Financial Statements:

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism through the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient

and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope

and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters:

ANNEXURE-A REFERRED TO IN PARAGRAPH 1 UNDER THE HEADING “REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS” OF OUR REPORT TO THE MEMBERS OF HMT LIMITED.

- i) a) The Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant & Equipment (“PPE”).
- b) Based on the information and explanation given to us by the Company, physical verification will be carried out once in 3 years. However, during the year none of the units have carried out such verification except:
 - i. in Auxiliary Business Division –the fixed assets have been physically verified by the management. In our opinion the frequency of such verification is considered reasonable, considering the size and nature of business and there are no material discrepancies noticed on such verification.
 - ii. in Food Processing Machinery Unit - verification of fixed assets was done in May 2020, subsequent to balance sheet date but report of the same not produced to Branch Auditors.
- c) According to the information and explanation given to us by the Company, read with foot note to note 3B and foot notes to note 3C of the standalone Ind AS financial statements, title deed of all immovable properties are held in the name of the Company. However, the Branch Auditor has reported that the following property held by Food Processing Machinery Unit of the company is under dispute, as the land has been encroached upon. The matter is pending with the High Court as stated in Note No. 3A of the Standalone Ind AS Financial Statements.

Nature of the property	Whether Leasehold/ freehold	Gross Block as on 31 st March, 2020	Net Block as on 31 st March, 2020
Leasehold land from CIDCO	Leasehold land	Rs.5,00,000/-	Re.1/-

- ii) The management during the year has physically verified the inventory at reasonable intervals at respective units. The discrepancies that were noticed during the physical verification of Inventory were not material and the same has been properly adjusted in the respective unit books of account. However, it has been reported by the Food Processing Machinery unit auditor that documentary evidences to support the same were not available for their verification. In respect of Tractor division, Pinjore it has been reported by branch auditor that physical inventory has not been carried since last two financial years even though valuation of inventories has been obtained from a Registered Valuer. Accordingly, we are unable to comment on the same.
- iii) In respect of the unsecured loans granted by the Company to companies covered in the register maintained under section 189 of the Act:
 - a) In our opinion and according to information and explanation furnished to us, the terms and conditions of the loan given by the Company is prima facie, not prejudicial to the interest of the Company.
 - b) According to information and explanation furnished to us by the Company there is no specific repayment specified by the Company.

- c) There is an overdue interest for financial year 2017 – 18, 2018-19 and 2019-20. consequent to discontinuation of business, the cost records are not been maintained.
- iv) In our opinion and according to information and explanation furnished to us, the Company has complied with the provisions of Section 185 and 186 of the Act, with respect to loans and investment made. vii)a)According to the information and explanations provided to us Custom Duty and Excise duty does not apply to this company for the year under review.
- v) The Company has not accepted any deposits from the public. Hence our comment on the compliance of provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed thereunder does not arise. According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/accrued in the books of account in respect of undisputed statutory dues including income tax, GST have generally been regularly deposited by the Company with the appropriate authorities though there has been a slight delay in few cases except as per the Branch Auditor of Food Processing Machinery Unit, the unit was irregular in payment of Provident fund dues and that the amount is unascertainable due to non-availability of details.

The Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal has not passed any order and hence our comment on the same does not arise

- vi) In our opinion and according to information and explanations furnished to us, the Central Government has prescribed the maintenance of cost records under clause (d) of sub-section (1) of section 148 of the Act to Tractor Division. However, As per our verification and according to the information and explanation given to us, there are no undisputed statutory dues except the following statutory dues which remained outstanding as at 31st March, 2020 for a period more than six months from the date they became payable:

Sl. No.	Nature of the Statute	Nature of Dues	Amount (Rs. in lakhs)
In respect of Corporate Head Office:			
1.	Greater Hyderabad Municipal Corporation	Property tax	272.41
2	Sales Tax of various states	Sales tax recovery of Lamps Division	62.93
In respect of Auxiliary Business Division:			
3	Goods & Service Tax	Tax Deducted at Source on GST	8.77
4	Professional Tax	Professional Tax	0.02

- b) According to the information and explanation given to us by the Company, there are no dues outstanding on account of any disputes in respect of statutory dues as at 31st March, 2020 except the following:

Name of the Statute	Nature of Dues	Amount	Amount paid under protest	Period to which the amount relates	Forum where dispute is pending
		(Rs.in lakhs)			
Sales tax	Sales tax liability	2.49	Nil	2012-13	Deputy Commissioner of Sales Tax, Aurangabad

viii) Based on the information and explanations given to us, the Company has not defaulted on repayment of loan to Banks. The Company has defaulted in repayment of Loan taken from Government of India amounting to Rs.36,536.80 Lakhs, details of defaults are as follows:

Period of Default	Amount (Rs. in lakhs)
Financial Year 2017-18	10,873.60
Financial Year 2018-19	12,831.60
Financial Year 2019-20	12,831.60

However, it has not borrowed any amount from financial institution or has issued any debentures.

ix) In our opinion based on the information and explanation given to us, the Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) and term loans. Hence, comment on the same does not arise.

x) According to the information and explanation given to us, there are no frauds reported by the Company or any fraud on the Company by its officers or employees has been noticed or reported during the year.

However, Branch Auditor of Tractor Business Division has reported that Inventory -TRP main Stores worth Rs.1,96,640/- (Book Value Rs.9,83,088/-) have reportedly been lost due to theft. But as per detailed "VALUATION REPORT", dated 30.03.2020, after its "Personal Inspection" conducted by Er. Sanjay Verma, Proprietor of SV Engineers & Consultants, the said stock, which was reportedly stolen in the month of Dec., 2019 was lying at factory premises as on the date of inspection dated 18.03.2020. In such a dubious situation it is difficult for us to rely on whom i.e. "the FIR Lodged regarding theft by HMT" or "the report submitted by SV Engineers & Consultants" which claims that the said stock was lying at factory premises during inspection. We disclaim our opinion regarding the correctness of actual availability of stocks & its valuation.

xi) Consequent to Notification reference no. G.S.R 463(E) dated 05th June, 2015 issued by Ministry of Corporate Affairs, compliances on transactions under section 197 of Companies Act, 2013 are not applicable to Government Companies.

xii) The Company is not a Nidhi Company and hence compliances specified in the Nidhi Rules, 2014 are not applicable.

xiii) In our opinion and according to the information and explanation given to us and as represented to us by the management, all transactions with the related parties are in compliance with section 177 and 188 of the Act and the details have been disclosed in the standalone Ind AS financial statements as required by the applicable Indian accounting standards.

xiv) According to the information and explanations given to us and based on our examination of the records of the Company, during the year Company has not made any preferential allotment of equity shares and hence comment on compliance with the provisions of section 62 and section 42 of Companies Act, 2013 does not arise.

xv) According to the information and explanations given to us and based on our examination of the records of the Company, it has not entered into any non-cash transactions with directors or persons connected with him and hence the compliance of provisions of section 192 of Companies Act, 2013 on this matter does not arise.

xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

ANNEXURE-B REFERRED TO IN PARAGRAPH 2 (f) UNDER THE HEADING “REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS” OF OUR REPORT TO THE MEMBERS OF HMT LIMITED.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”):

We have audited the internal financial controls over financial reporting of HMT Limited (“the Company”) as of March 31, 2020 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls:

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (“the Act”).

Auditors’ Responsibility:

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable

to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting:

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable

detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting:

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Disclaimer Opinion:

In case of Food Processing Machinery Unit, Aurangabad the branch auditor has reported in the following manner:

1. There is no appropriate internal control system for inventory as there is no integration between financial accounting module and inventory module. The valuation of inventory is done in inventory module.

As explained to us stock is valued by adopting Weighted Average Cost method. However, on scrutiny the rates could not be verified due to absence of relevant records such as Purchase Invoices, Purchase orders etc.

Moreover stock ageing analysis was not done by the company due to which the quantum of non-moving and obsolete stock could not be assessed.

Further, the internal control system for identification and allocation overheads to inventory was also not adequate. These could potentially result in material misstatements in the company's consumption, inventory and expense account balances.

2. Fixed assets have not been physically verified by the management during the year under consideration. An effective internal financial control may be evolved to ensure that there should not be any mismatch between fixed assets register and physical sets with respect to the make of the asset, serial number and location which could potentially result in a material weakness in the process of verification of fixed assets.

As per information and explanations given to us, verification of fixed assets was done in May 2020, subsequent to balance sheet date, report of the same not produced for verification purpose.

3. The company did not have adequate appropriate internal controls for reconciling and obtaining balance confirmation from sundry debtors, sundry creditors and other parties. This could potentially result a material weakness, in financial reporting process of debtors, creditors and other parties.
4. We were not provided with the returns and corresponding supporting workings of statutory returns and its compliances under GST, TDS, PF, PT, ESIC etc. It was observed that compliance was not done by the company within the due date under the respective Acts. Appropriate controls needs to be established in this area.
5. In absence of information about payroll processing system, monthly statement along with status of statutory deduction, we are unable to comment upon the payroll processing mechanism and internal controls for the same. As informed payroll is processed jointly by HR and accounts department, proper defining of role and

responsibility between both the departments is not found.

A “Material weakness” is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company’s annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, because of the possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the company has maintained, in all material respects, adequate internal financial controls over financial reporting were operating effectively as of March 31, 2020, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing and extent of audit tests applied in our audit of the standalone Ind AS financial statements of the company as at and for the year ended March 31, 2020, and these material weaknesses have affected our opinion on the standalone Ind AS financial statements of the company and we have issued a qualified opinion on the standalone Ind AS financial statements.

Place: Bengaluru
Date: July 29, 2020

In respect of Tractor Division, Pinjore:

In our opinion, the Company, in all material respects, has an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

In respect of Corporate Head Office, Bangalore and, Auxiliary Business Division, Bangalore:

We are unable to express our opinion on the internal financial controls as the system of internal financial controls over financial reporting with respect to the Auxiliary Business Division and Corporate Head Office of the company are not made available to us to enable us to obtain sufficient appropriate audit evidence that the Company has established the adequate internal financial control over financial reporting at the aforesaid divisions and whether such internal financial controls were operating effectively as at 31st March 2020.

We have considered the disclaimer reported above in determining the nature, timing and extent of audit tests applied in our audit of the standalone Ind AS financial statements of the Company, and the disclaimer doesn’t affect our opinion on the standalone Ind AS financial statements of the Company.

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF HMT LIMITED, BANGALORE FOR THE YEAR ENDED 31 MARCH 2020

The preparation of financial statements of HMT Limited, Bangalore for the year ended 31 March 2020 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the Company. The Statutory Auditors appointed by the Comptroller and Auditor General of India under Section 139(5) of the Act are responsible for expressing opinion on the financial statements under Section 143 of the Act based on independent audit in accordance with the Standards on Auditing prescribed under Section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 29 July 2020.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the financial statements of HMT Limited, Bangalore for the year ended 31 March 2020 under Section 143(6)(a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditors and Company personnel and a selective examination of some of the accounting records.

On the basis of my supplementary audit, nothing significant has come to my knowledge which would give rise to any comment upon or supplement to Statutory Auditors' Report under Section 143 (6) (b) of the Act.

Standalone significant accounting policies for the year ended March 31, 2020

1. Background:

HMT Limited (“the Company”) is a public limited company domiciled in India and is incorporated in 1953 under the provisions of the Companies Act, 1913, having Registered Office at HMT Bhavan, 59, Bellary Road, Bangalore-560 032. The Company’s shares are listed in National Stock Exchange of India Limited and Bombay Stock Exchange Limited. The Company is engaged in the manufacturing of Food Processing Machineries. Tractor division has discontinued its operations as per CCEA approval dated October 27, 2016 and disclosed as discontinued operations in the financial statements.

The standalone financial statements were authorised for issue in accordance with resolution of the directors July 29, 2020

2. Significant Accounting Policies:

i) Basis of preparation:

The financial statements have been prepared to comply in all material aspects with the Indian Accounting Standards (“Ind AS”) notified under section 133 of the Companies Act 2013 (“the Act”), read the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter, as applicable to the Company and other provisions of the Act.

The financial statements have been prepared on the historical cost convention on the accrual basis, except for certain financial instruments which are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

ii) Summary of Significant Accounting Policies:

a) Use of estimates:

The preparation of financial statements in conformity with Ind AS requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management’s best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods. Any revision to accounting estimates is recognized prospectively.

b) Property, Plant & Equipment

Property, Plant and Equipment (“PPE”) are stated at cost of acquisition or construction, net of vatable taxes, less accumulated depreciation to date. Cost includes direct costs and financing costs related to borrowing attributable to acquisition that are capitalized until the assets are ready for use.

Expenditure in connection with the development of land is capitalised in the year in which the expense is incurred.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets.

The cost of an item of PPE shall be recognised as an asset if, and only if:

- (a) it is probable that future economic benefits associated with the item will flow to the entity; and
- (b) the cost of the item can be measured reliably.

Items of PPE which is held for sale within 12 months from the end of reporting period is disclosed at lower of carrying cost or fair value less cost of sale

The carrying amount of an item of PPE is derecognised:

- (a) on disposal; or
- (b) where no future economic benefits are expected from its use or disposal.

The gain or loss arising from the de-recognition of an item of PPE shall be included in statement of profit or loss when the item is derecognised.

Special Tools:

Expenditure on manufactured and bought out special tools held for use in the production or supply of the goods or services and whose use is greater than one period is considered as an item of PPE and is depreciated over its useful life of 5 years.

c) Leases

The Company as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

Operating Leases as a Lessor

- a) Rental income from operating leases is generally recognised on a straight-line basis over the term of the relevant lease except where the rentals are structured solely to increase in line with expected general inflation to compensate for the Company's

expected inflationary cost increases, such increases are recognised in the year in which such benefits accrue.

- b) Operating lease payments in case of intermediate lease are recognized as an expense in the Profit and Loss Account on a straight line basis over the term of the relevant lease.

The Company as a lessee

Leases for which the Company is a lessee is classified as a finance or operating lease.

- a) Leases are classified as finance lease whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee.
- b) Leases are classified as operating lease when there is no right of use of an asset and payments on such lease are recognised as expenses in Profit & Loss Account on a straight line basis over the term of relevant lease.
- c) The Company, as a lessee, recognizes a right-of-use asset [ROU] and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset. The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset except leases with a term of 12 months or less and low value leases, the company recognises the lease payments as an operating expenses on a straight line basis over the term of the lease.

The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the

lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability.

The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

d) Borrowing Cost:

Borrowing cost consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

Borrowing costs directly attributable to acquisition of PPE which take substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

All other borrowing costs are expensed in the period in which they occur.

e) Investment Property:

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

The Company depreciated building component of investment property as per the useful life prescribed in Schedule II of the Act.

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in statement profit or loss in the period of de-recognition.

f) Intangible Assets:

i) Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry, and known technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.

ii) Expenditure on Technical Know-how is recognized as an Intangible Asset and amortized on straight line method based on technical assessment for a period not exceeding ten years. The amortization commences when the asset is available for use.

iii) The cost of software internally generated / purchased for internal use which is not an integral part of the related hardware is recognized as an Intangible Asset and is amortized on straight line method based on technical assessment for a period not exceeding ten years.

iv) **Research and Development Expenditure:**
Research Phase:
 Expenditure on research including the expenditure during the research phase of Research & Development

Projects is charged to profit and loss account in the year of incurrence.

Development Phase:

Expenditure incurred on Development Costs, which relate to Design, Construction and Testing of a chosen alternative for new or improved material, devices, products, processes, systems or services are recognized as an intangible asset. Such Intangible assets are amortized based on technical assessment over a period not exceeding ten years using straight line method.

g) Depreciation and Amortisation:

Depreciation on PPE is provided on straight line basis over the useful life of the various assets as prescribed in Schedule II to the Act, pro-rata with reference to the date of addition or deletion. As and when PPE gets fully depreciated, Re.1/- is retained as book value of the PPE. PPE costing less than Rs. 10,000/- shall be depreciated to Re.1/- in the year of purchase.

Each part of an item of PPE (also known as 'Component') with a cost that is significant in relation to the total cost of the item and has different useful life from that of the PPE it shall be depreciated separately.

Special Tools capitalised as PPE is depreciated over the period of five years and items those costing less than Rs.750 is depreciated in the year of acquisition/ manufacture.

Amortisation methods and useful lives of intangible assets are reviewed periodically including at the end of each financial year.

h) Non-current assets held for distribution to owners and discontinued operations:

The Company classifies non-current assets as held for sale/distribution to owners if their carrying amounts will be recovered principally through a sale/ distribution rather than through continuing use. Actions required to complete the sale/ distribution should indicate that it is unlikely that significant changes to the sale/ distribution will be made or that the decision to sell/ distribute will

be withdrawn. Management must be committed to the sale/ distribution expected within one year from the date of classification.

Non-current assets held for sale/for distribution to owners and disposal groups are measured at the lower of their carrying amount and the fair value less costs to sell/ distribute. Non-current Assets classified as held for sale/ distribution are presented separately in the balance sheet

i) Government Grants:

Government Grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate are expenses. When the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset.

j) Inventories:

Raw materials, stores, work in progress and finished goods are valued at the lower of cost and net realizable value. The cost of materials is ascertained by adopting Weighted Average Cost Method.

Cost of work in progress, finished goods and goods-in-transit comprises direct materials, direct labour and an appropriate portion of variable and fixed overhead being allocated on the basis of normal operating capacity.

k) Revenue Recognition:

A customer contract exists if collectability under the contract is considered probable, the contract has commercial substance, contains payment terms, as well as the rights and commitments of both parties has been approved.

The Company collects goods and service tax on behalf of the Government and, therefore, these are not economic benefits flowing to the Company. Hence, they are excluded from the aforesaid revenue/ income.

i) Sale of goods and services:

Revenues are recognised at the point in time that the customer obtains control of the goods or services which is when it has taken title to the products and assumed the risks and rewards of ownership of the product or services. Generally, the transfer of title and risks and rewards of ownership of goods are governed by the contractually defined shipping terms.

ii) Rental Income:

Rental income from operating leases is generally recognised on a straight-line basis over the term of the relevant lease except where the rentals are structured solely to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increases, such increases are recognised in the year in which such benefits accrue.

iii) Dividend Income:

Dividend income is recognised when the Companies right to receive the payment is established, which is generally when shareholders approve the dividend.

iv) Interest Income:

Interest income, including income arising from other financial instruments measured at amortised cost, is recognized using the effective interest rate method.

v) Warranty:

Provisions for warranty-related costs are recognised when the product is sold or service provided to the customer. Initial recognition is based on historical experience. The initial estimate of warranty-related costs is revised annually.

With regard to turnkey projects implemented by the company, warranty provision at the rate of 2 percent of the purchase value is provided

vi) Extended Warranties:

When the company sells extended warranty, the revenue from sale of extended warranty is deferred and recognised over the period covered by the warranty. Where extended warranties are included in the price

of the product and provide protection in excess of that provided by normal terms and conditions of sale for the relevant product, the company will separate and account for these two items separately.

l) Foreign Currency Translation:

The functional currency of the Company is the Indian rupee. These financial statements are presented in Indian rupees

Foreign-currency denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the balance sheet date. The gains or losses resulting from such translations are included in net profit in the statement of profit and loss.

Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction.

Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled. Revenue, expense and cashflow items denominated in foreign currencies are translated into the relevant functional currencies using the exchange rate in effect on the date of the transaction.

m) Retirement & Other Employee Benefits:

Provident Fund is provided for, under a defined benefit scheme. The contributions are made to the Trust administered by the company.

Leave encashment is provided for under a long-term employee benefit based on actuarial valuation.

Gratuity is provided for, under a defined benefit scheme, to cover the eligible employees, liability being determined on actuarial valuation. Annual contributions are made, to the extent required, to a trust constituted and administered by the Life Insurance Corporation of India under which the coverage is limited to Rs.50,000/- per eligible employee. The balance provision is being retained in the books to meet any additional liability accruing thereon for payment of Gratuity.

Settlement allowance ("SA") is provided for, under a defined benefit scheme, to cover the eligible employees, liability being determined on actuarial valuation.

The Company recognizes the net obligation of a defined benefit plan i.e. Gratuity and SA in its balance sheet as an asset or liability. Gains and losses through re-measurements of the net defined benefit liability/ (asset) are recognized in other comprehensive income. In accordance with Ind AS, re-measurement gains and losses on defined benefit plans recognized in Other Comprehensive Income are not to be subsequently reclassified to statement of profit and loss. As required under Ind AS compliant Schedule III, the Company recognizes re-measurement gains and losses on defined benefit plans (net of tax) to retained earnings.

Pension is provided for under a defined contribution scheme, contributions are made to the Pension Fund administered by the Government.

The amount of Rs.50,000/- per head received/ receivable from LIC on account of gratuity claims in respect of employees separated under Voluntary Retirement Scheme during the year is accounted as Other Income.

In respect of employees who are separated other than under Voluntary Retirement Scheme, the Gratuity paid in excess of Rs.50,000/-, Earned Leave Encashment (ELE), SA is debited to the respective provision accounts. The provision at the yearend for Gratuity, ELE and SA is restated as per the actuarial valuation done at the year-end

Gratuity, ELE, SA and lumpsum compensation paid to employees under Voluntary Retirement Scheme ("VRS") shall be fully written off in the year of incidence.

Expenses incurred in respect of bonds issued for raising funds to meet payments made under the VRS are fully written off in the year of disbursement.

n) Income taxes:

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability

during the year. Current and deferred tax are recognized in the statement of profit and loss, except when they relate to items that are recognized in OCI or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity, respectively.

i) Current taxes:

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

ii) Deferred Taxes:

Deferred income tax assets and liabilities are recognized on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

o) Provisions:

A provision is recognized when the Company has a present obligation (legal or constructive) as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized in the statement of Profit and loss.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does

not recognize a contingent liability but discloses its existence in the financial statements.

p) Impairment:

i) Financial assets:

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognises lifetime expected losses for all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition

ii) Non-financial assets:

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

Impairment losses are recognized in the statement of profit and loss. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

q) Financial Instruments:

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

i) Cash & cash equivalents:

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of twelve months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

ii) Financial assets at amortised cost:

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iii) Financial assets at fair value through other comprehensive income:

Financial assets are measured at fair value through other comprehensive income if these financial assets

are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company presents the subsequent changes in fair value in Other Comprehensive Income.

iv) Financial assets at fair value through profit or loss:

Financial assets are measured at fair value through profit or loss unless it is measured at amortized cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognized in statement of profit and loss.

v) Financial Liabilities:

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

vi) De-recognition of financial instruments:

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized when the obligation specified in the contract is discharged or cancelled or expires.

vii) Fair value of financial instruments:

In determining the fair value of its financial instruments, the Company uses following hierarchy and assumptions that are based on market conditions and risks existing at each reporting date.

Fair value hierarchy:

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- ▶ Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ▶ Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- ▶ Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

viii) Investment in subsidiaries, joint ventures and associates:

Investment in subsidiaries, joint ventures and associates are carried at cost.

iii) Significant accounting judgements, estimations and assumptions:

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes

that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

i) Judgements:

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the consolidated financial statements

a Operating lease– Company as lessor:

The Company has entered into commercial property leases on its investment property portfolio. The Company has determined, based on an evaluation of the terms and conditions of the arrangements, such as the lease term not constituting a major part of the economic life of the commercial property, that it retains all the significant risks and rewards of ownership of these properties and accounts for the contracts as operating leases.

b Discontinued Operations:

As per the CCEA Approval on 27/10/2016 it was decided that the Tractors Divisions operations will be closed. According the Assets have been classified based on the definitions under IND AS16, IND AS 40 and IND AS 105. It is planned that the company will lease out the major portions of the land and buildings to a third party to generate lease rentals for the Company and accordingly, it is classified as Investment Properties

c Property, plant & equipment:

Building at Corporate Head Office, where the significant portion of the property is used as Company owner occupied property and certain portion has been leased out by the Company. The management doesn't have any intention to sell the building and the portion of building which has been leased is for a short period and accordingly, it has been classified as PPE.

ii) Estimates and assumptions:

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

a Deferred Taxes

Deferred Tax Assets must be recognised to the extent that it is probable that future profits will be available against which the deductible temporary difference can be utilised. The company does not recognise Deferred Tax Asset since the company has unused tax losses and there is no convincing evidence about future taxable profit.

b Defined Benefit Obligations:

The cost of the defined benefit gratuity plan, provident fund and Settlement Allowance and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate; future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate, the management considers the interest rates of government bonds.

The mortality rate is based on publicly available mortality tables for the specific countries. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates.

c Other Long-Term Employee Benefits:

Other Long-Term Employee Benefits like Earned Leave Encashment is determined through an actuarial valuation. The measurement of the long-term employee benefits is not subject to the same degree of uncertainty as the measurement of Defined Benefit Obligation. For this reason, the Re-measurement are not recognised in Other Comprehensive Income.

d Fair value measurement of financial instruments:

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the NAV/NRV model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

Additional information:
1. 3.5% Preference Share Capital

Each Redeemable Preference Shares has a par value of Rs.100/- per share and is redeemable after 3 years. The preference shares carry a dividend of 3.5% per annum and conversion of cumulative dividend into equity shares on accrual. The dividend rights are cumulative. The preference shares rank ahead of the equity shares in the event of a liquidation.

In accordance with the CCEA approval and DHI's directions thereon during January 2016, 3.5% Redeemable Preference Shares of 4,06,14,000 no's (Rs.40,614.00 lakhs) out of 4,43,00,000 no's of Rs.100/- each (Rs.44,300.00 lakhs) has been extinguished and set off against the Loans and advances to subsidiaries companies provided by the Company to HMT Watches Limited, HMT Chinar Watches Limited and HMT Bearings Limited.

For the remaining 3.5% Redeemable Preference Shares the revival Plan sanctioned to the Company vide sanction No F.No.5.1(1)/2005.PE.X dated 29 March 2007 has specified for redemption of Preference Share Capital out of sale proceeds of the identified surplus assets of HMT Machine Tools Ltd. Since the sale of identified assets has not taken place which is pre-condition for redemption, remaining 3.5% Redeemable Preference Share Capital is not redeemed .

2. During the FY 2018-19 the Company has received Rs.13.74 lakhs towards reimbursement of consultancy charges paid to IIM, Bangalore for Financial & Strategic Review of consolidation & restructuring plan of the Company. However, the Company is in process of obtaining clarification from Department of Heavy Industry whether the same is grant or loan. Based on the clarification the same will be treated as income or borrowing in the ensuing year.

*The Company has made One Time Settlement with Dena Bank for Rs.1185.85 lakhs and the reversal of Rs.848.88 lakhs has been included under other income as provision withdrawn.

30 Other Disclosures:

Government of India ("GOI") had released a Plan Assistance of Rs. 200 lakhs to the Company during March 2007 to meet the Capital Expenditure of HMT Watches Ltd, the wholly owned Subsidiary, in the form of Equity (Rs. 100 lakhs) & Loan (Rs. 100 lakhs). In view of the non utilisation of the funds by the Subsidiary within the stipulated period, GOI had instructed the Company during December 2009 for refund of the total Plan Assistance of Rs. 200 lakhs. Accordingly, the Company has refunded the Loan amount of Rs. 100 lakhs to GOI during February 2010. However, with regard to refund of Equity portion, since the Company has already issued 10,00,000 Equity Shares of Rs.10/- each (Rs.100 lakhs) in favour of President of India during April 2007, as per the terms of GOI sanction, the same could not be carried out, as it would amount to reduction in Share Capital requiring the approval of the Share Holders and completion of other statutory formalities as per the Companies Act and applicable rules in this regard, and the same has been communicated to GOI. Further instructions are awaited from GOI on the same.

31 Preference Share Capital:

Government of India while approving the Revival Plan of HMT Machine Tools Ltd (HMT-MTL), a Subsidiary Company, during March 2007, had accorded sanction for cash infusion of `Rs.44,300 lakhs in the form of 3.5% Preference Share Capital which was routed through the Company for investment in the Preference Share Capital in the Subsidiary, to be redeemed after 3 years i.e. 31.3.2010 out of sale of surplus immovable Properties of HMT-MTL.

However, as per the CCEA approval 40614000 No. of Shares has been extinguished out of 44300000 Nos. of Rs.100/- each, leaving a balance shares of 36,86,000 of Rs.100/- each which is proposed to be redeemed upon sale of immovable property.

35 A Fair Values

Set out below, is a comparison by class of the carrying amounts and fair value of the Group's financial instruments, other than those with carrying amounts that are reasonable approximations of fair values

	(Rs. in lakhs)			
	Carrying amount		Fair value	
	31-Mar-20	31-Mar-19	31-Mar-20	31-Mar-19
Financial assets				
Loans - Fair value through Profit & loss	20,556.06	13,747.30	20,556.06	13,747.30

Total	64,171.74	64,171.74	64,171.74	64,171.74

The Company has assessed that cash and cash equivalents, trade receivables, trade payables, bank overdrafts and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments. The Company has also assessed that the Government of India ("GOI") loan excluding interest free GOI loan approximate their carrying amounts as transaction costs are not levied

The Fair Value of Interest Free Government of India Loan is arrived by discounting the loan amount for a repayment period of 5 years. For the purpose of calculation 8% is considered as the effective rate of Interest

The Company has not discounted the redeemable preference shares as 8% redeemable preference shares have been redeemed and 3.5% preference shares is matured and the Company has defaulted, hence in the opinion of the Company no fair valuation need to be made for the same.

38 Employee Benefits (Contd.):

A. Employee Benefit Obligations

The cost of the defined benefit gratuity plan and Settlement Allowance and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

1) Gratuity

40 SEGMENT REPORTING:

As per Ind AS - 108 "Operating Segment", segment information has been provided under the notes to consolidated financial statements.

During the year Food Processing Division has made a sale of Rs.1,318.46 Lakhs to one customer which is exceeding 10% of the revenue.

41 Considering the realisable value of the non current assets held for sale, support from the Government of India and other business plans, the Company has prepared the financial statements of the Group on the basis that it is a going concern and that no adjustments are considered necessary to the carrying value of assets and liabilities.

42 The Investment in Gujrat State Machine Tools Corporation being an Associate Company, has been fully provided in books of Accounts as the Net Worth of the Company is completely eroded based on the latest information available with HMT Limited. Hence the fair value is shown as Nil.

43 Impact on uncertainties relating to the global health pandemic from COVID-19

The Company has considered the possible effects that may result from the Covid-19 pandemic on receivables, inventories, revenues including leases, Property Plant and Equipment, Going concern and investment in subsidiaries. In developing the assumptions relating to the possible future uncertainties because of this pandemic, the Company, as at the date of approval of these financial statements has used internal and external sources of information. Based on the analysis of such information and the nature of current business operations carried by the company, it is of the view that the impact is temporary and does not have material impact on financial statements as at 31st March 2020 and hence has not made any provision in the books of account.

44 Balances under Trade "Receivables", 'Loans & Advances', 'Trade payables' and Other Current Liabilities' are subject to confirmation , although confirmation has been sought in most of the cases.

45 The Company has deferred tax asset in the form of brought forward losses, in the absence of reasonable certainty of future business profits, the Company has not recognised any deferred tax asset.

46 The figures of previous year have been regrouped/reclassified, wherever necessary, to conform to the current year's classification.

***CONSOLIDATED
FINANCIAL
STATEMENTS***

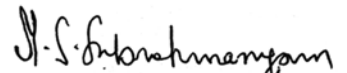

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) READ WITH SECTION 129(4) OF THE COMPANIES ACT, 2013 ON THE CONSOLIDATED FINANCIAL STATEMENTS OF HMT LIMITED, BANGALORE FOR THE YEAR ENDED 31 MARCH 2020

The preparation of consolidated financial statements of HMT Limited, Bangalore for the year ended 31 March 2020 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the Company. The Statutory Auditors appointed by the Comptroller and Auditor General of India under Section 139 (5) read with Section 129 (4) of the Act are responsible for expressing opinion on the financial statements under Section 143 read with Section 129 (4) of the Act based on independent audit in accordance with the Standards on Auditing prescribed under Section 143(10) of the Act. This is stated to have been done by them vide their Revised Audit Report dated 16 October 2020 which supersedes their earlier Audit Report dated 29 July 2020.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the consolidated financial statements of HMT Limited for the year ended 31 March 2020 under Section 143(6)(a) read with Section 129(4) of the Act. We conducted a supplementary audit of the financial statements of HMT Limited and subsidiaries listed in Annexure-I but did not conduct supplementary audit of the financial statements of subsidiaries, associate companies and jointly controlled entities listed in Annexure-II for the year ended on that date. Further, Section 139(5) and 143(6)(b) of the Act are not applicable to the joint venture Sudmo HMT Process Engineers (India) Limited, Bangalore being private entity. Accordingly, Comptroller and Auditor General of India has neither appointed the Statutory Auditors nor conducted the supplementary audit of this Company. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditors and Company personnel and a selective examination of some of the accounting records.

In view of the revisions made in the Statutory Auditors' Report, to give effect to some of my audit observations raised during supplementary audit, I have no further comments to offer upon or supplement to the Statutory Auditors' Report under Section 143 (6) (b) read with Section 129(4) of the Act.

REVISED INDEPENDENT AUDITOR'S REPORT

[Issued Consequent to Provisional Comments by Deputy Director, Office of the Director General of Commercial Audit and Ex-officio Member, Audit Board, Hyderabad, vide No.DGCA/Hyd/A/c/Desk/HMTCFS/2019-20/1.20/135 dated 01.10.2020 and it supersedes our Independent Auditor's Report dated 29th July 2020]

To the Members of HMT Limited

Report on Audit of the Consolidated Financial Statements

Qualified Opinion:

We have audited the Consolidated Ind AS financial statements of HMT Limited ("the Holding Company") its subsidiaries, associates and joint ventures (collectively referred as "the Group") which comprise of Balance Sheet as at 31st March, 2020, the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity, the Cash Flow Statement for the year then ended, and notes to Ind AS financial statements including a summary of significant accounting policies and other explanatory information.

On completion of audit of Consolidated Ind AS financial statements of the company for the year ended 31st March, 2020, we had issued an Independent Auditor's Report dated 29th July, 2020. The said Report has been revised in the light of the revision of Independent Auditor's report of one of the company's Subsidiary HMT Machine Tools Ltd. based on the observations from the Deputy Director, CAG and hence this Report supersedes our earlier Report.

- (a) in the case of the Balance Sheet, of the state of affairs of the Group as at 31st March, 2020 and
- (b) in the case of the Statement of Profit and Loss (including Other Comprehensive Income), of the profit for the year ended on that date.

- (c) in the case of the Statement of Change in Equity, the changes for the year ended on that date.
- (d) in the case of Cash Flow Statement, of the flow of cash in the Group for the year ended on that date.

Basis of Qualified Opinion:

I. HMT Ltd.

1. Food Processing Machinery Unit, Aurangabad:
 - a. Inventory valuation as stated in Note No. 1.9 stock of raw material is valued by adopting Weighted Average Cost method. However, in the inventory statement provided for verification purpose, correctness of stock items rates could not be verified due to absence of sufficient and appropriate audit evidence. Owing to the nature of Company's records and in the absence of sufficient audit evidence, we are unable to ascertain any material departure from the Weighted Average Cost Method adopted by the company. Consequently, we are unable to ascertain its impact, if any, on the Consolidated Ind AS financial statements.
2. **Tractor Business Group, Pinjore (including Hyderabad Assembly Project & Mohali unit):**
 - a. Lease Rental Income from leased out portions of land, apartments, school etc. belonging to HMT Ltd., (Tractor Division) Pinjore, has not been accounted for as "Other Income" in the books of HMT Ltd., (Tractor Division) but accounted in HMT Machine Tools Ltd., since financial year 2017-18. Accordingly, during Financial Year 2019-20, a sum of Rs.278.88 Lakhs has not been accounted as rental income in the books of HMT Ltd., (Tractor Division) along

with expenses relating to Estate Operation. In the absence of the required records which were not presented to us we are unable to ascertain the impact on this Consolidated Ind AS financial statements.

- b. The company has obtained Inventory valuation report from a Registered Valuer whereby based on the value provided, the inventory was valued at Rs.279.15 lakhs as on 31st March 2020, however the book value of the said inventory is Rs.1126.34 lakhs. Considering the drastic reduction in the value provided by the Registered Valuer, we are of the opinion that the company has to obtain the inventory valuation from another Registered valuer to establish the correctness of the said valuation. Consequently, we are unable to quantify the impact of the same on the Consolidated Ind AS financial statements.

Indian Accounting Standards

- c. Consequent to closure of Tractor Division, the Company has not carried out impairment test pursuant to Ind AS 36 – Impairment of Assets on its Plant, Machinery and Other Equipment as it has carried at Written Down Value. Consequently, we are unable to ascertain the impact of impairment loss on the Consolidated Ind AS financial statements.
3. Corporate Head Office and Company as a whole:
- a. Non-confirmation of balances of Trade Receivables, Loans and Advances, Trade Payables and other Current Liabilities and its consequential impact if any on the Consolidated Ind AS financial statements cannot be quantified.
- b. *Indian Accounting Standards*
- Employer and Employee contribution towards Provident Fund is transferred and invested in Provident fund Trust which is

a defined benefit plan. The company has not obtained Actuarial Valuation Report as per Ind-AS 19 and has not accounted for actuarial gain or loss.

- c. The company for Impairment on Trade receivables as per Ind-As 109 apply expected credit loss (ECL) model for measurement and recognition of impairment loss. However, as per the information and explanation given to us no ECL matrix was prepared for the period under audit for creating provision for loss allowance. Hence, we are unable to ascertain its consequent impact, if any, on the Consolidated Ind AS financial statements.

The effect on revenue on all the above transactions are not ascertained.

II. HMT Machine Tools Limited (“MTL”)

1. No provision is made for the liability, if any, towards the interest payable to vendors under Micro, Small and Medium Enterprises Development Act 2006. The impact on non-provision of such interest on the financial statements/ results cannot be quantified due to lack of the required information.
2. The Company has not complied from the requirement of Schedule-II of Companies Act, 2013 of depreciating the assets over its useful life and such depreciable amount shall be the cost of assets less its residual value. The company follows the policy of depreciating the Plant and Equipment costing less than Rs.10,000/- to Rs.1/- in the year of Purchase. Due to unavailability of required information impact could not be quantified.

Indian Accounting Standards

3. Investment Properties: The Company has not complied with para 76 of Ind AS 40, since adequate disclosure with regard to fair values of the investment property, depreciation method and criteria for distinction between Investment Properties and PPE has not been disclosed.

4. Inventory Valuation: Reference is invited to Note No.6 of the Notes forming part of financial statements which describes that the inventories are valued at Cost or Net Realisable Value whichever is lower, and the cost is determined through Weighted Average Cost Method. However, the policy of determining the cost do not comply with Ind -AS 2 "Inventories" where it is stated that "The cost of inventories of items that are not ordinarily interchangeable and goods or services provided and segregated for specific projects shall be assigned by using Specific Identification of their individual costs". As the division is majorly into order-based supplies the inventory should be valued at Specific Identification costs instead of weighted average costs. Further the inventory stated in the Ind AS financial statements as at March 31, 2020 have been valued at weighted average costs.

Net Realisable Value: It is observed that "Net Realisable Value" of the inventories, has not been ascertained by the management, due to which the inventories are valued at weighted average cost. Due to non-availability of the net realisable value, we are unable to express our opinion on the Impact of such non-determination of the net realisable value compliance on the loss and value of assets could not be ascertained.

5. Prior Period Item: On our verification of the books of accounts maintained it was observed that several items of expenses in the nature of prior period has been charged to the Statement of Profit/Loss for the year ended March 31, 2020 which belongs to previous accounting periods. According to Ind AS 8 any expense which arise in the current period as a result of errors or omissions in the preparation of the financial statements of one or more prior periods shall be corrected retrospectively and not accounted as a charge in the current year. This results in non-compliance to Companies (Indian Accounting Standards) Rules, 2015 and the impact of such non-compliance on current year loss could not be ascertained.

III. HMT Watches Limited ("HWL")

Status Going Concern:

1. The Board of Directors in its 72nd board meeting held as on 18.01.2016 has decided to close down the company after getting the approval from cabinet committee of Economic Affairs.
2. The accumulated losses of the company as at the close of 31st March 2020 amounted to Rs.2,69,251.83 lakhs against which the paid up capital of the company is Rs.649.01 lakhs and the losses has totally eroded the net worth of the company.

5. The contingent liabilities disclosed in the financial statements are Rs. 578.39 lakhs (Previous year Rs. 586.51/-lakhs) and there are other liabilities, which have not been quantified. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.
6. Consequent to the decision of closing the Company, the Company has sold all the fixed assets other than the immovable properties in Bangalore and Ranibagh and some of fixed assets of Ranibagh Unit. In respect of immovable property, the Company is in the process of transferring the assets.
7. Other current liabilities include a sum of Rs. 926.64 Lakhs relating to advances received against sale of land including buildings. The company has executed an agreement to sale and the possession of land (including buildings) has been given to the purchaser. The transaction has not been recognized as sale pending approval from

the concerned authorities for the execution of sale deed. The value of land (including buildings) has been included in the asset held for sale in Note 2.8 and the possession is already given to the buyer. The consequential impact on the losses, carrying amount of the assets, depreciation and tax liabilities are not ascertainable.

8. The details for interest on delayed payment of statutory dues were not made available. The company has neither ascertained nor worked out the quantum of penal interest, penalties and damages towards default in remitting statutory dues. In the absence of such details, we are unable to express our opinion on adequacy of provision towards interest on delayed payment and its impact on financial statements.
9. One of the creditor of the company had obtained execution decree dated 30-05-1998 passed in OS no. 15652 of 2008 for Rs. 128 lakhs. This fact together with contingent liability if any has not been disclosed in the financial statements of the company.

Indian Accounting Standards

10. IND AS 8: - The Company has not done the retrospective adjustment of prior period errors and omissions by restating the comparative amounts for prior period presented or, where the errors relates to the period(s) before the earliest prior period presented, restating the opening balance of assets, liabilities and equity for that period.
11. IND AS 36:- The Company has not identified, measured, quantified and disclosed the impairment of assets and its impact on the current financial statements.
12. IND AS 109:- The Company has not recognized the interest free refundable security deposit at discounted value and Fair Value of recognition of financial assets and liabilities.
13. No provision for additional duty redemption fine and penalty of Rs.150.00 lakhs was made in the accounts relating to watch components valued

at Rs. 343.30 lakhs taken into custody by the Customs authorities in the earlier years in Watch Factory, Ranibagh.

14. The company has not made provision for liability towards the interest payable under micro- small and medium enterprises development act 2006, if any, in the accounts. The impact of non-provision for such interest on the financial results of the company if not ascertainable. In the absence of confirmation from vendors and non-availability of adequate information with the units, provision made towards interest and the principal amount disclosed as dues as on balance sheet date, we are unable to comment on the adequacy of provision and the impact on the financial statements.
15. The company did not follow the established internal controls such as performing account reconciliations, obtaining periodical conformation of balances and periodical verification of fixed assets.
16. GST liability under reverse charge mechanism has neither been ascertained nor provided for in the accounts. Impact of the same on the Net Loss of the Company is not ascertainable.
17. No provision towards gratuity amounting to Rs. 28 Lakhs during training period has been made in the financial statements as ordered by ALC on the applications filed by 125 separated employees and orders of Hon'ble High Court of Karnataka to deposit Rs. 28 Lakhs, which is contrary to IND AS 37 – Provisions, Contingent Liabilities and Contingent Assets, resulting in understatement of loss and current liabilities and provisions to that extent. Impact on financial statements is not ascertainable.
18. As stated in note no. 2.23, no provision is made for liabilities aggregating Rs. 213.89 lakhs in respect of employee related claims relating to lockouts, back wages, incentives, annual bonus etc. This has resulted in understatement of net loss by Rs. 213.89 lakhs and corresponding understatement of current liabilities to that extent.

19. In pursuant to distress warrant dated 23-12-2011 issued by Bangalore Mahanagara Palike for recovery of Rs. 381.31 lakhs of property tax along with penalty for the period from 01-10-1995 to 2011-12, a total provision of Rs. 665.19 lakhs has not been made towards such taxes and penalties as at the 31st March 2020.
20. As per the communication received from Ministry of Heavy Industries and Public Enterprises vide letters dated 13.01.2017 & 27.03.2017, the company has not adjusted /written off the GOI Loans and holding company loans amounting to Rs. 2,69,378.75 lakh during the year 2016-17.

However, as per the minutes of 79th meeting of board of directors of HMT Watches Ltd, the board of directors has decided to account the write off loan together with interest at the time of closure of the company as approved by CCEA vide letter dated 13.01.2016.

Consequently, the company has overstated the GOI liabilities to the extent of Rs. 2,69,378.75 lakh and overstated the negative balance of Other Equity by Rs. 2,69,378.75 lakh.

Further, any provision required which is resulting from above transactions is also not accounted and not ascertained.

IV. HMT Bearings Limited (“HBL”)

- 1) In terms of letter dated 13th January 2016 received from the Government of India, Ministry of Heavy Industries and Public Enterprises, the company has not written off the GOI loan. The said non-compliance has resulted in under stating of the Other equity of the company by Rs 60,11,39,943/- and overstating of Other Financial Liabilities by Rs 60,11,39,943/-. However the Company is perusing with the DHI to get the confirmation that the GOI loans will be waived off after closure of the company.

We conducted our audit in accordance with the Standards on Auditing (“SAs”) specified under section 143(10) of the Companies Act, 2013 (“the Act”). Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Ind AS financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Material Uncertainty Related to Going Concern:

Attention of the members is invited to Note 48 of the consolidated financial statements regarding the reasons for preparing these consolidated Ind AS financial statements of the Group on going concern basis, notwithstanding the fact that the networth of the Group is eroded. The appropriateness of the said basis is inter-alia dependent on the Group’s ability to realise from sale of “non-current assets held for sale”, support from Government of India and other business continuity plans. We have relied on the representation of the management of the holding company and our opinion is not modified in this respect.

Key Audit Matters:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Ind AS financial statements for the financial year ended March 31, 2020. These matters were addressed in the context of our audit of the Consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the Consolidated Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Consolidated Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Consolidated Ind AS financial statements.

Key audit matters	How our audit addressed the key audit matter
I. HMT Ltd.	
1) Adoption of Ind AS 116 - Leases	
<p>The company has adopted Ind AS 116 which deals with recognition, measurement, presentation, and disclosure of leases of both Lessor and Lessee. We have considered this as a key audit matter, since Ind AS 17 was covering the "Leases" upto Financial Year 2018-19.</p>	<p>Our Audit Procedures included the following:</p> <ul style="list-style-type: none"> We have verified the accounting, measurement and presentation for Leases which is in line with the Ind AS 116. We have examined the disclosures as required by Ind AS 116 in financial statements. We conclude that there are no material non-compliance with the accounting policy as no material difference between Ind AS 116 and Ind AS 17 on Accounting of leases in the books of the Lessor.

Emphasis of Matter Paragraph

I. Impact of COVID-19 on Consolidated financial statements:

We draw your attention to Note No.49 of consolidated Ind AS financial statements for the financial year ended 31st March, 2020 on the impact of COVID -19 on the Business operations of the Company and its Financial Statements pursuant to the Accounting & Auditing Advisory issued by Institute of Chartered Accountants of India (The ICAI) on impact of Corona Virus on Financial Reporting and the Auditor's Consideration. The Group is of the view that the impact of Covid-19 lockdown is temporary and does not have any material impact on the consolidated Financial Statements as at 31.03.2020. Our opinion in this matter is not modified.

II. HMT Machine Tools Ltd:

1. **Non-Confirmation:** Trade Receivable and Trade Payable are subject to confirmation from the parties. In the absence of confirmation from parties towards Trade payables, Trade receivables, Advances received, Advances paid, Deposits (including Security Deposit) the process of reconciliation of party balances is incomplete. Due to non-availability of confirmation of balances from the parties, we are unable to express an

opinion on the correctness of the balances and their impact on the financial statements.

2. **Going Concern:** It is observed from the financial statements that all units with the exception of Kalamassery Unit, is incurring loss year after year and the accumulated losses which is transferred to Head Office. The unit's current liabilities exceed current Assets as at balance sheet date. However, the financial statements of the Units and its consolidated financial statement of the Company have been prepared on "Going Concern Basis"
3. **Authorised Capital:** As per the MCA records the authorised capital is Rs.800.00 crores, comprising of Equity Shares Capital of Rs.355.00 crores and Preference share capital of Rs.445.00 crores. However, the company has continued to show in its books and financial statements authorised capital as Rs.355.00 crores only related to Equity Share capital. Company to take suitable action, if the authorised capital is reduced and file required returns with MCA.
4. **Non-provision for Preference Dividend:** It is observed that 3.5 % Preference Share Capital issued during 2007 redeemable after 3 years

amounting to Rs.443.00 crores has shown under "Other Financial liabilities". The company has not made any provision for the payment of accumulated dividends on the 3.5 % preference share capital.

5. **Escrow Account:** As informed to us redemption of Preference shares capital will be out of sale proceeds of the identified surplus assets. It is observed that MBX Unit has realised Rs.18.50 crores towards the sale of a portion of the land to BBMP, pending execution of legal documents for transfer of property. We are unable to comment, whether the sale of land to BBMP is a part of the identified surplus assets and if so, the fund should have been deposited in an escrow account for redemption of Preference shares.

MBX, Bangalore:

- a) **Land Transfer:** As observed a portion of the land used for "Roads" measuring approx. 4.25 acres has been acquired by Bruhat Bangalore Mahanagara Palike (BBMP). As at 31 March 2020. BBMP has paid adhoc land compensation deposit of Rs.18.508 Crores, pending final joint measurement and issue of correct dimension report. Since the land is not transferred to BBMP following the legal procedure, the said land measuring 4.25 acres is continued to be shown as fixed assets even though BBMP has taken over the possession of the said Land (formed Road).
- b) **Land:** As informed to us, the Company owns total land of 330.28 acres in Bangalore Complex, which were partly Gifted and partly acquired over the years. The said land is used for factory buildings, offices, residential quarters, hospital, cinema, stadium, commercial complex, internal roads etc. In addition, there exists vast area of open spaces. As, the title deeds of the land, physical verification, survey and demarcation of land is not provided, we are unable to comment on the ownership, accuracy of the area of land usage and encroachment if any.

Kalamassery Unit:

- a) **Land:** It is observed that Unit has surrendered 6 Acre 89 Cents to Ancillary Industrial Estate and further 1 Acre 58 Cents has been surrendered to Kerala Electricity Board during the period of 1971-1974. Due to non-availability of records, we are unable to review the compliance to the legal process of such transfer of land and its accounting in the books of accounts.
- b) **Land:** Unit has paid Land tax for a portion of the land situated at Thandaper No.3707 in the name of HMT Limited, Bangalore. Possession certificate issued by the village office in the year 2000 indicates an area of 193 Hectares, 62 Acres 70 Sq.mtr in the name of HMT Limited, Bangalore and not in the name of HMT Machine Tools Limited. As informed to us, the management has applied for possession certificate, location and sketch on 15th June 2015, which is pending due to property disputes. Hence, we are unable to express our opinion on whether the company has absolute title to the Land included in the books of accounts.
- c) **Land:** Appeal No.386/2016 filed before Honourable Supreme Court of India with respect to surrender of 251 Acres and 40 Cents of Land held in the excess of ceiling area as per the Kerala Land Reforms Act, 1963 is pending for final decision. The decision of Supreme Court may have significant impact on the financial position of the Unit.

Pinjore:

Land: The Property of estate is in the name of HMT Tractor Division, Pinjore and as per the approval of the competent authority, the same is managed by MTP. The income and expenditure of managing estate is received in the books of MTP.

Praga Tools:

Title deeds of immovable properties were not produced to Unit Auditors and hence we are unable to comment on the ownership of the properties.

Hyderabad:

Taxes: Reference is invited to Note No 4 of the Notes forming part of financial statements where other assets includes the brought forward input credits of erstwhile Indirect taxes to the extent of Rs.28.80 Lacs. On our verification it was observed that TRANS-1 application filed with the Goods and Service Tax Network do not include such brought forward balance and in the absence of documentary evidence of such receivable in our opinion the input credit should not be recognized as asset. The impact of such recognition results in overstatement of assets by Rs.28.80 lacs and understatement of loss for the year by similar amount in the books of the division.

Our opinion is not modified in respect of the above matters.**Other Information [“Information Other than the Financial Statements and Auditor’s Report Thereon”]**

The Holding Company’s management and Board of Directors are responsible for the Other information. The other information comprises the information included in the Holding Company’s Annual Report, but does not include the financial statements and our Auditor’s report thereon. The Other information is expected to be made available to us after the date of Auditor’s Report.

Our opinion on the Consolidated financial statements does not cover the Other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Ind AS financial statements, our responsibility is to read the Other information identified above when it becomes available and, in doing so, consider whether the Other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Management’s Responsibility for Consolidated Ind AS Financial Statements:

The Holding Company’s management and Board of Directors are responsible for the preparation

and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated profit/loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. The respective management and Board of Directors of the entities included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each entity and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the management and Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Board of Directors of the entities included in the Group are responsible for assessing the ability of each entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective management and Board of Directors either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group are responsible for overseeing the financial reporting process of each entity.

Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements:

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism through the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

ANNEXURE-A REFERRED TO IN PARAGRAPH 2 (f) UNDER THE HEADING “REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS” OF OUR REPORT TO THE MEMBERS OF HMT LIMITED.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”):

In conjunction with our audit of the consolidated financial statements of HMT Limited (“the Holding Company”) as of 31 March 2020, we have audited the internal financial controls with reference to the consolidated financial statements of the Holding Company and such companies incorporated in India under the Companies Act, 2013 which are its subsidiary companies, as of that date. However in case of Sudmo HMT Process Engineering (India) Ltd. which is a joint venture company, as reported by its Auditor, the reporting on Internal Financial controls over financial reporting is not applicable for the year under review.

Management’s Responsibility for Internal Financial Controls:

The respective Board of Directors of the Holding company, its subsidiary companies and its Joint Venture company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (“the Act”).

Auditors’ Responsibility:

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements include obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements.

Meaning of Internal Financial Controls with reference to Consolidated financial statements:

A company's internal financial controls with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting:

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion under section 143(3)(i):**I. Disclaimer Opinion of HMT Ltd.:****In case of Food Processing Machinery Unit, Aurangabad the branch auditor has reported in the following manner:**

1. There is no appropriate internal control system for inventory as there is no integration between financial accounting module and inventory module. The valuation of inventory is done in inventory module.

As explained to us stock is valued by adopting Weighted Average Cost method. However, on scrutiny the rates could not be verified due to absence of relevant records such as Purchase Invoices, Purchase orders etc.

Moreover stock ageing analysis was not done by the company due to which the quantum of non-moving and obsolete stock could not be assessed.

Further, the internal control system for identification and allocation overheads to inventory was also not adequate. These could potentially result in material misstatements in the company's consumption, inventory and expense account balances.

2. Fixed assets have not been physically verified by the management during the year under consideration. An effective internal financial control may be evolved to ensure that there should not be any mismatch between fixed assets register and physical sets with respect to the make of the asset, serial number and location which could potentially result in a material weakness in the process of verification of fixed assets.

As per information and explanations given to us, verification of fixed assets was done in May 2020, subsequent to balance sheet date, report of the same not produced for verification purpose.

3. The company did not have adequate appropriate internal controls for reconciling and obtaining balance confirmation from sundry debtors, sundry creditors and other parties. This could potentially result a material weakness, in financial reporting process of debtors, creditors and other parties.
4. We were not provided with the returns and corresponding supporting workings of statutory returns and its compliances under GST, TDS, PF, PT, ESIC etc. It was observed that compliance was not done by the company within the due date under the respective Acts. Appropriate controls needs to be established in this area.
5. In absence of information about payroll processing system, monthly statement along with status of statutory deduction, we are unable to comment upon the payroll processing mechanism and internal controls for the same. As informed payroll is processed jointly by HR and accounts department, proper defining of role and responsibility between both the departments is not found.

A “Material weakness” is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company’s annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, because of the possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the company has maintained, in all material respects, adequate internal financial controls over financial reporting were operating effectively as of March 31, 2020, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered accountants of India.

We have considered the material weaknesses identified and reported above in determining the

nature, timing and extent of audit tests applied in our audit of the financial statements of the company as at and for the year ended March 31, 2020, and these material weaknesses have affected our opinion on the financial statements of the company and we have issued a qualified opinion on the financial statements.

In respect of Tractor Division, Pinjore:

In our opinion, the Company, in all material respects, has an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

In respect of Corporate Head Office, Bangalore and, Auxiliary Business Division, Bangalore:

We are unable to express our opinion on the internal financial controls as the system of internal financial controls over financial reporting with respect to the Auxiliary Business Division and Corporate Head Office of the company are not made available to us to enable us to obtain sufficient appropriate audit evidence that the Company has established the adequate internal financial control over financial reporting at the aforesaid divisions and whether such internal financial controls were operating effectively as at 31st March 2020.

We have considered the disclaimer reported above in determining the nature, timing and extent of audit tests applied in our audit of the Ind AS Consolidated financial statements of the Company, and the disclaimer doesn’t affect our opinion on the Ind AS Consolidated financial statements of the Company.

II. Qualified Opinion (issued by statutory auditors of HMT Machine Tools Ltd.)

In our opinion, considering the branch auditor’s report, Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial

reporting were operating effectively as at March 31, 2020, and however, it can be further strengthened based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. According to the information and explanations given to us and based on our audit, the following material weakness has been identified as at March 31, 2020:
 - i. Books of accounts are not being maintained in all completeness on day to day basis as evidenced from accounting entries being posted upon conclusion of the transactions to an intermediary heads of accounts, delay in recording of sales and purchases in the books of accounts viz a viz the date on which transactions were actually executed. (As reported by the Hyderabad unit Auditor)
 - ii. Delay in recording of inventory movements in the inventory records and its reporting to Accounts department resulting in inappropriate updation of financial books. (As reported by the Hyderabad unit Auditor)
 - iii. Non-Reconciliation and non-confirmation of the trade receivables, trade payables balances, deposits and advances.
 - iv. Delay in payment and filing of statutory dues and returns.
 - v. Non-Reconciliation of GST Input with GSTR-2A and Turnover as per GST Returns with the Turnover as reported in the Audited Statements of Account.
 - vi. Non-reconciliation of TDS Form 26 AS at periodical intervals.
2. A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that

there is a reasonable possibility that a material misstatement of the Institute's annual financial statements will not be prevented or detected on a timely basis.

3. We have considered the material weakness/es identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2020 consolidated financial statements of the company, and except for the effects / possible effects of the material weakness/es described above on the achievements of the objectives of the control criteria, the company's internal financial controls over financial reporting were operating effectively as of March 31, 2020 and these material weakness/es does not / do not affect our opinion on the financial statements.

III. Opinion (issued by statutory auditors of HMT Watches Limited):

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the guidance note on audit of internal financial control over Financial Reporting issued by the Institute of Chartered Accountants of India.

IV. Opinion (issued by statutory auditors of HMT Chinar Watches Limited):

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the guidance note on audit of internal

financial control over Financial Reporting issued by the Institute of Chartered Accountants of India.

V. Disclaimer of Opinion (Issued by Statutory auditors of HMT Bearings Limited):

- a. In view of lack of sufficient appropriate audit evidence of establishment of a frame work for internal financial control over financial reporting, we are unable to express our opinion, regarding adequacy of internal financial control over financial reporting and whether or not such internal financial controls were operating effectively as at March 31, 2020.
- b. Though the framework for internal financial control over financial reporting is not established, we have considered the same in determining the nature, timing, and extent of audit tests applied in our audit of the financial statements of the Company and it does not impact our audit opinion on the financial statements.

VI. Opinion (issued by statutory auditors of HMT(International) Limited):

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting Criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters:

The opinion reported under section 143 (3) (i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to 5 subsidiary companies, incorporated in India, are based on the corresponding reports of the auditor of such companies incorporated in India.

CONSOLIDATED SIGNIFICANT ACCOUNTING POLICIES FOR THE YEAR ENDED MARCH 31, 2020

1. Background:

HMT Limited (“the Company”) is a public limited company domiciled in India and is incorporated in 1953 under the provisions of the Companies Act, 1913, having Registered Office at HMT Bhavan, 59, Bellary Road, Bangalore-560 032. The Company’s shares are listed in National Stock Exchange of India Limited and Bombay Stock Exchange Limited. The Company is engaged in the manufacturing of Tractors, Food Processing Machineries etc.

The consolidated financial statements were authorised for issue in accordance with resolution of the directors July 29,2020

2. Significant Accounting Policies:

i) Basis of preparation:

The financial statements have been prepared to comply in all material aspects with the Indian Accounting Standards (“Ind AS”) notified under section 133 of the Companies Act 2013 (“the Act”), read the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter, as applicable to the Company and other provisions of the Act.

The financial statements have been prepared on the historical cost convention on the accrual basis, except for certain financial instruments which are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

ii) Basis of Consolidation:

The consolidated financial statements of HMT Limited (“Parent Company”), subsidiary companies, associates and joint venture (collectively referred as “the Group”) used in the preparation of this consolidated financial

statements have been drawn up on the same reporting date as that of the parent company i.e. year ended March 31, 2019. The financial statement of the associate company has not received by the parent company and the networth of the said associate is completely eroded. Accordingly, losses have been consolidated to the extent of the value of the investments.

iii) Principles of consolidation and equity accounting:

- a) The financial statements of the Company and its subsidiaries are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, after fully eliminating intra-group balances and intra-group transactions.
- b) Profits or losses resulting from intra-group transactions that are recognised in assets, such as inventory and property, plant & equipment, are eliminated in full.
- c) Eliminate the carrying amount of the parent’s investment in each subsidiary and the parent’s portion of equity of each subsidiary
- d) Non Controlling Interest’s share of profit / loss of consolidated subsidiary for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Company.
- e) Non Controlling Interest’s share of net assets of consolidated subsidiaries is identified and presented in the Consolidated Balance Sheet separate from liabilities and the equity of the Company’s shareholders.
- f) Investment in Associate and Joint Venture has been accounted under the equity method as per Ind AS 28 - Investments in Associates and Joint Ventures.
- g) The Company accounts for its share of post acquisition changes in net assets of associate and joint venture, after eliminating unrealised profits and losses resulting from transactions between

the Company and its associate to the extent of its share, through its Consolidated Statement of Profit and Loss, to the extent such change is attributable to the associates' Statement of Profit and Loss and through its reserves for the balance based on available information.

iv) Summary of Significant Accounting Policies:

a) Use of estimates:

The preparation of financial statements in conformity with Ind AS requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods. Any revision to accounting estimates is recognized prospectively.

b) Property, Plant & Equipment

Property, Plant and Equipment ("PPE") are stated at cost of acquisition or construction, net of vatable taxes, less accumulated depreciation to date. Cost includes direct costs and financing costs related to borrowing attributable to acquisition that are capitalized until the assets are ready for use.

Expenditure in connection with the development of land is capitalised in the year in which the expense is incurred.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets.

The cost of an item of PPE shall be recognised as an asset if, and only if:

- (a) it is probable that future economic benefits associated with the item will flow to the entity; and
- (b) the cost of the item can be measured reliably.

Items of PPE which is held for sale within 12 months from the end of reporting period is disclosed at lower of carrying cost or fair value less cost of sale

The carrying amount of an item of PPE is derecognised:

- (a) on disposal; or
- (b) where no future economic benefits are expected from its use or disposal.

The gain or loss arising from the de-recognition of an item of PPE shall be included in statement of profit or loss when the item is derecognised.

Special Tools:

Expenditure on manufactured and bought out special tools held for use in the production or supply of the goods or services and whose use is greater than one period is considered as an item of PPE and is depreciated over its useful life of 5 years.

c) Leases

The Company as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

Operating Leases as a Lessor

- a) Rental income from operating leases is generally recognised on a straight-line basis over the term of the relevant lease except where the rentals are structured solely to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increases, such increases are recognised in the year in which such benefits accrue.
- b) Operating lease payments in case of intermediate lease are recognized as an expense in the Profit and Loss Account on a straight line basis over the term of the relevant lease.

The Company as a lessee

Leases for which the Company is a lessee is classified as a finance or operating lease.

- a) Leases are classified as finance lease whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee.
- b) Leases are classified as operating lease when there is no right of use of an asset and payments on such lease are recognised as expenses in Profit & Loss Account on a straight line basis over the term of relevant lease.
- c) The Company, as a lessee, recognizes a right-of-use asset [ROU] and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset. The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset except leases with a term of 12 months or less and low value leases, the company recognises the lease payments

as an operating expenses on a straight line basis over the term of the lease.

The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability.

The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

d) **Borrowing Cost:**

Borrowing cost consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

Borrowing costs directly attributable to acquisition of PPE which take substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

All other borrowing costs are expensed in the period in which they occur.

e) **Investment Property:**

Investment properties are measured initially at cost, including transaction costs. Subsequent

to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

The Company depreciated building component of investment property as per the useful life prescribed in Schedule II of the Act.

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in statement profit or loss in the period of de-recognition.

f) Intangible Assets:

- i) Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry, and known technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.
- ii) Expenditure on Technical Know-how is recognized as an Intangible Asset and amortized on straight line method based on technical assessment for a period not exceeding ten years. The amortization commences when the asset is available for use.
- iii) The cost of software internally generated / purchased for internal use which is not an integral part of the related hardware is recognized as an Intangible Asset and is amortized on straight line method based on technical assessment for a period not exceeding ten years.

iv) Research and Development Expenditure:

Research Phase:

Expenditure on research including the expenditure during the research phase of Research & Development Projects is charged to profit and loss account in the year of incurrence.

Development Phase:

Expenditure incurred on Development Costs, which relate to Design, Construction and Testing of a chosen alternative for new or improved material, devices, products, processes, systems or services are recognized as an intangible asset. Such Intangible assets are amortized based on technical assessment over a period not exceeding ten years using straight line method.

g) Depreciation and Amortisation:

Depreciation on PPE is provided on straight line basis over the useful life of the various assets as prescribed in Schedule II to the Act, pro-rata with reference to the date of addition or deletion. As and when PPE gets fully depreciated, Re.1/- is retained as book value of the PPE. PPE costing less than Rs. 10,000/- shall be depreciated to Re.1/- in the year of purchase.

Each part of an item of PPE (also known as 'Component') with a cost that is significant in relation to the total cost of the item and has different useful life from that of the PPE it shall be depreciated separately.

Special Tools capitalised as PPE is depreciated over the period of five years and items those costing less than Rs.750 is depreciated in the year of acquisition/manufacture.

Amortisation methods and useful lives of intangible assets are reviewed periodically including at the end of each financial year.

h) Non-current assets held for distribution to owners and discontinued operations:

The Company classifies non-current assets as held for sale/distribution to owners if their carrying amounts will be recovered principally through a sale/ distribution rather than through continuing use. Actions required to complete the sale/ distribution should indicate that it is unlikely that significant changes to the sale/ distribution will be made or that the decision to sell/ distribute will be withdrawn. Management must be committed to the sale/ distribution expected within one year from the date of classification.

Non-current assets held for sale/for distribution to owners and disposal groups are measured at the lower of their carrying amount and the fair value less costs to sell/ distribute. Non-current Assets classified as held for sale/ distribution are presented separately in the balance sheet

i) Government Grants:

Government Grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate are expenses. When the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset.

j) Inventories:

Raw materials, stores, work in progress and finished goods are valued at the lower of cost and net realizable value. The cost of materials is ascertained by adopting Weighted Average Cost Method.

Cost of work in progress, finished goods and goods-in-transit comprises direct materials, direct labour and an appropriate portion of variable and fixed overhead being allocated on the basis of normal operating capacity.

k) Revenue Recognition:

A customer contract exists if collectability under the contract is considered probable, the contract has commercial substance, contains payment terms, as well as the rights and commitments of both parties has been approved.

The Company collects goods and service tax on behalf of the Government and, therefore, these are not economic benefits flowing to the Company. Hence, they are excluded from the aforesaid revenue/ income.

i) Sale of goods:

Revenues are recognised at the point in time that the customer obtains control of the goods or services which is when it has taken title to the products and assumed the risks and rewards of ownership of the product or services. Generally, the transfer of title and risks and rewards of ownership of goods are governed by the contractually defined shipping terms.

ii) Rendering of services:

Revenue from sale of services is recognised by reference to the stage of completion. Stage of completion is measured by services performed to date as a percentage of total services to be performed.

iii) Rental Income:

Rental income from operating leases is generally recognised on a straight-line basis over the term of the relevant lease except where the rentals are structured solely to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increases, such increases are recognised in the year in which such benefits accrue.

iv) Dividend Income:

Dividend income is recognised when the Companies right to receive the payment is established, which is generally when shareholders approve the dividend.

v) Interest Income:

Interest income, including income arising from other financial instruments measured at amortised cost, is recognized using the effective interest rate method.

vi) Warranty:

Provisions for warranty-related costs are recognised when the product is sold or service provided to the customer. Initial recognition is based on historical experience. The initial estimate of warranty-related costs is revised annually.

With regard to turnkey projects implemented by the company, warranty provision at the rate of 2 percent of the purchase value is provided

vii) Extended Warranties:

When the company sells extended warranty, the revenue from sale of extended warranty is deferred and recognised over the period covered by the warranty. Where extended warranties are included in the price of the product and provide protection in excess of that provided by normal terms and conditions of sale for the relevant product, the company will separate and account for these two items separately.

l) Foreign Currency Translation:

The functional currency of the Company is the Indian rupee. These financial statements are presented in Indian rupees

Foreign-currency denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the balance sheet date. The gains or losses resulting from such translations are included in net profit in the statement of profit and loss.

Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction.

Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the

transaction is settled. Revenue, expense and cashflow items denominated in foreign currencies are translated into the relevant functional currencies using the exchange rate in effect on the date of the transaction.

m) Retirement & Other Employee Benefits:

Provident Fund is provided for, under a defined benefit scheme. The contributions are made to the Trust administered by the company.

Leave encashment is provided for under a long-term employee benefit based on actuarial valuation.

Gratuity is provided for, under a defined benefit scheme, to cover the eligible employees, liability being determined on actuarial valuation. Annual contributions are made, to the extent required, to a trust constituted and administered by the Life Insurance Corporation of India under which the coverage is limited to Rs.50,000/- per eligible employee. The balance provision is being retained in the books to meet any additional liability accruing thereon for payment of Gratuity.

Settlement allowance ("SA") is provided for, under a defined benefit scheme, to cover the eligible employees, liability being determined on actuarial valuation.

The Company recognizes the net obligation of a defined benefit plan i.e. Gratuity and SA in its balance sheet as an asset or liability. Gains and losses through re-measurements of the net defined benefit liability/(asset) are recognized in other comprehensive income. In accordance with Ind AS, re-measurement gains and losses on defined benefit plans recognized in Other Comprehensive Income are not to be subsequently reclassified to statement of profit and loss. As required under Ind AS compliant Schedule III, the Company recognizes re-measurement gains and losses on defined benefit plans (net of tax) to retained earnings.

Pension is provided for under a defined contribution scheme, contributions are made to the Pension Fund administered by the Government.

The amount of Rs.50,000/- per head received/receivable from LIC on account of gratuity claims in respect of employees separated under Voluntary

Retirement Scheme during the year is accounted as Other Income.

In respect of employees who are separated other than under Voluntary Retirement Scheme, the Gratuity paid in excess of Rs.50,000/-, Earned Leave Encashment (ELE), SA is debited to the respective provision accounts. The provision at the yearend for Gratuity, ELE and SA is restated as per the actuarial valuation done at the year-end

Gratuity, ELE, SA and lumpsum compensation paid to employees under Voluntary Retirement Scheme ("VRS") shall be fully written off in the year of incidence.

Expenses incurred in respect of bonds issued for raising funds to meet payments made under the VRS are fully written off in the year of disbursement.

n) Income taxes:

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred tax are recognized in the statement of profit and loss, except when they relate to items that are recognized in OCI or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity, respectively.

i) Current taxes:

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

ii) Deferred Taxes:

Deferred income tax assets and liabilities are recognized on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

o) Provisions:

A provision is recognized when the Company has a present obligation (legal or constructive) as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized in the statement of Profit and loss.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

p) Impairment:

i) Financial assets:

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognises lifetime expected losses for all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition

ii) Non-financial assets:

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

Impairment losses are recognized in the statement of profit and loss. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

q) Financial Instruments:

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

i) Cash & cash equivalents:

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities

of twelve months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

ii) Financial assets at amortised cost:

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iii) Financial assets at fair value through other comprehensive income:

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company presents the subsequent changes in fair value in Other Comprehensive Income.

iv) Financial assets at fair value through profit or loss:

Financial assets are measured at fair value through profit or loss unless it is measured at amortized cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognized in statement of profit and loss.

v) Financial Liabilities:

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

vi) De-recognition of financial instruments:

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized when the obligation specified in the contract is discharged or cancelled or expires.

vii) Fair value of financial instruments:

In determining the fair value of its financial instruments, the Company uses following hierarchy and assumptions that are based on market conditions and risks existing at each reporting date.

Fair value hierarchy:

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- ▶ Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ▶ Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- ▶ Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

v) Significant accounting judgements, estimations and assumptions:

The preparation of the Company's financial statements requires management to make judgements, estimates

and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

i) Judgements:

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the consolidated financial statements

a. Operating lease – Company as lessor:

The Company has entered into commercial property leases on its investment property portfolio. The Company has determined, based on an evaluation of the terms and conditions of the arrangements, such as the lease term not constituting a major part of the economic life of the commercial property, that it retains all the significant risks and rewards of ownership of these properties and accounts for the contracts as operating leases.

b. Discontinued Operations:

As per the CCEA Approval on 27/10/2016 it was decided that the Tractors Divisions operations will be closed. According the Assets have been classified based on the definitions under IND AS16, IND AS 40 and IND AS 105. It is planned that the company will lease out the major portions of the land and buildings to a third party to generate lease rentals for the Company and accordingly, it is classified as Investment Properties

c. Property, plant & equipment:

Building at Corporate Head Office, where the significant portion of the property is used as Company owner occupied property and certain portion has been leased out by the Company. The management doesn't have any intention to sell

the building and the portion of building which has been leased is for a short period and accordingly, it has been classified as PPE.

ii) Estimates and assumptions:

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

a. Deferred Taxes

Deferred Tax Assets must be recognised to the extent that it is probable that future profits will be available against which the deductible temporary difference can be utilised. The company does not recognise Deferred Tax Asset since the company has unused tax losses and there is no convincing evidence about future taxable profit.

b Defined Benefit Obligations:

The cost of the defined benefit gratuity plan, provident fund and Settlement Allowance and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate; future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes

in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate, the management considers the interest rates of government bonds.

The mortality rate is based on publicly available mortality tables for the specific countries. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates.

c Other Long-Term Employee Benefits:

Other Long-Term Employee Benefits like Earned Leave Encashment is determined through an actuarial valuation. The measurement of the long-term employee benefits is not subject to the same degree of uncertainty as the measurement of Defined Benefit Obligation. For this reason, the Re-measurement are not recognised in Other Comprehensive Income.

d Fair value measurement of financial instruments:

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the NAV/NRV model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

Land:

- (i) The Company is in possession of Gift land located at Bangalore, Kalamassery & Hyderabad gifted by the respective State Governments measuring 177.75 Acres, 348.85 Acres and 227.30 Acres respectively, nominally valued at Rs. 1 each.
- (ii) The Company is in possession of leasehold land measuring 30 acres at Aurangabad out of which 5 acres of land has been encroached upon. Further, legal action is being pursued for restoration of the encroached land.
- (iii) Pending finalisation of the rates by the Government of Rajasthan, provision for conversion charges, if any, payable for conversion of Revenue land for Industrial use at Machine Tool Unit Ajmer, has not been made in the accounts as the matter is sub-judice and execution of lease deed is pending.
- (iv) HMT-MTL has leased out land admeasuring 2.71 acres to the Kerala Electricity Board and Postal Authorities in Kalamassery. Further, HMT-MTL has leased out land admeasuring 5.00 Ha and 2.50 Ha to M/s Kochi Metro Rail Ltd., for which the lease period has been extended up to 31.07.2017 and 31.12.2018 respectively. Further an additional land of 1.6131 Ha. has been leased out up to 31.12.2018 for stackyard and fabrication purpose. Subsequently both 5 Ha and 1.6131 Ha of land has been surrendered back to the Company as on 31.12.2018. The Lease agreement for 2.5 Ha of land has been extended upto 31.05.2019. KMRL paid licence fee and vacated this 2.5 Ha of land on 30.11.2019.
- (v) In the matter relating to 195 acres and 33 guntas land handed over to HMT-Machine Tools Ltd (HMT-MTL) by the Govt. of Andhra Pradesh. HMT-MTL has filed Writ Petition No. 20012 of 2003 on the file of Hon'ble High Court of A.P. against the Govt. of A.P. and others wherein HMT-MTL has sought directions for demarking 195.33 acres of land for handing over the same to HMT-MTL. As per the survey conducted during the year 2004-05 by the Officials of Survey and Settlement Department, Ranga Reddy Dist. in view of Supreme Court directives, it has come to the notice that approx. 39 acres of land is not in the actual possession of HMT-MTL, but HMT-MTL has paid for the entire 195.33 acres of land for the decree holders. Out of the above land, 6000 sq. mts. of land is allotted to APSEB for setting up 33KV Switching Station and 33/11 KV Electrical sub-station. The compensation payable by the APSEB has not yet been determined. GHMC issued a notice vide notice No. 41/86/RW/TPS/GHMC/SC/2007 dated 01.12.2007 to take over 238.86sq. Yds of land for road widening programme undertaken by them out of the 3000 sq. yds available at kavadiguda, Secunderabad without any compensation. HMT-MTL had protested for this and raised a demand for compensation for land proposed to be taken over by them for road widening programme at prevailing market rate which is pending.
- (vi) Praga Tools Division has leased out a land admeasuring 64.62 acres to HMRL (Hyderabad Metro Rail Corporation) for a period of 3 years commencing from 1 September, 2012 to 31 August, 2015 for a temporary casting-cum-stacking yard. 35. Other Disclosures		
<p>The GOI had released a Plan Assistance of Rs. 200 lakhs to the Company during March 2007 to meet the Capital Expenditure of HMT Watches Ltd, the wholly owned Subsidiary, in the form of Equity (Rs.100 lakhs) & Loan (Rs.100 lakhs). In view of the non utilisation of the funds by the Subsidiary within the stipulated period, GOI had instructed the Company during December 2009 for refund of the total Plan Assistance of Rs. 200 lakhs. Accordingly, the Company has refunded the Loan amount of Rs. 100 lakhs to GOI during February 2010. However, with regard to refund of Equity portion, since the Company has already issued 10,00,000 Equity Shares of Rs. 10/- each (Rs. 100 lakhs) in favour of President of India during April 2007, as per the terms of GOI sanction, the same could not be carried out, as it would amount to reduction in Share Capital requiring the approval of the Share Holders and completion of other statutory formalities as per the Companies Act and applicable rules in this regard, and the same has been communicated to GOI. Further instructions are awaited from GOI on the same.</p>

42. Fair Values

Set out below, is a comparison by class of the carrying amounts and fair value of the Company's financial instruments, other than those with carrying amounts that are reasonable approximations of fair values

	Carrying amount		Fair value	
	31-Mar-20	31-Mar-19	31-Mar-20	31-Mar-19
Financial assets				
FVTOCI financial investments	-	-	-	-
Total	-	-	-	-
Financial liabilities				
Borrowings	3,72,348.67	3,71,656.49	3,72,348.67	3,71,656.49
Interest Free Government of India Loan	64,171.74	64,171.74	64,171.74	64,171.74
Total	4,36,520.41	4,35,828.23	4,36,520.41	4,35,828.23

The management assessed that cash and cash equivalents, trade receivables, trade payables, bank overdrafts and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments. The management also assessed that the government of India loan excluding Interest Free Government of India Loan approximate their carrying amounts as transaction costs are not levied.

The Fair Value of Interest Free Government of India Loan is arrived by discounting the loan amount for a repayment period of 5 years. For the purpose of calculation 8% is considered as the effective rate of Interest.

The Company has not discounted the redeemable preference shares as 8% redeemable preference shares have been redeemed and 3.5% preference shares is matured and the Company has defaulted, hence in our opinion no fair valuation need to be made for the same.

45 A. Employee Benefit Obligations

The cost of the defined benefit Gratuity plan and Settlement Allowance and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The Company has classified an operating segment as a discontinued operation in 2016. Ind-AS 108 does not provide guidance as to whether segment disclosures apply to discontinued operations. Although the disposed segment is material, the Company has not disclosed the results within the segment disclosures under Ind-AS 108. Ind-AS 105 states that the requirements of other standards do not apply to discontinued operations, unless they specify disclosures applicable to them. Since Ind-AS 108 does not refer to discontinued operations, entities are not required to include them as a reportable segment. The Assets and Liabilities of Discontinued Operations is reported in the 'adjustments and elimination' column.
