Non disclosure of Nature of security, repayment terms and details of default in repayment of principal and interest.</p>	<p>As stated above, the Company is in the process of being wound up statutorily under the orders and directions of the Hon'ble High Court of Madras. There is not a single employee on the rolls of the Company. However, the Official Liquidator is yet to take charge of the Company. Hence the practices which were applicable and being followed earlier for preparation of Financial Statements are being continued, until the affairs are taken over by the Official Liquidator.</p> <p>A final decision on the nature and extent of various liabilities and assets can be made only after the Official Liquidator takes charge and examines the Books and Records of the Company.</p>

3.	<p>Regarding Property, Plant and Equipment, Capital-Working-Progress (CWIP) and Depreciation:</p> <p>a. The Company has not carried out assessment of useful life and hence no impairment has been charged to profit & Loss. In the absence of relevant information, the impact thereof on the financial statements cannot be ascertained. (Refer Note No.30.27)</p> <p>b. The Company has not provided depreciation to the extent of Rs 72.81 lacs for the year (Refer Note No.30.31 also) Moreover for earlier years, depreciation was provided on straight line basis with regards to asset existing as on 31.03.1987 at the rates prescribed in the Income Tax Act 1961 and in respect of assets acquired thereafter at the rates prescribed in the Companies Act, 1956 which is not as per the requirements of the Companies Act 2013 which mandates calculation of depreciation as per useful life of the asset. In the absence of relevant information, the impact thereof on the financial statements cannot be ascertained. (Refer Note No.31.4)</p>	<p>a. Since the operations of the Company had already come to a standstill in 2013, and the Company has been recommended for closure, and the BIFR recommendation for winding-up has been accepted by the Hon'ble High Court of Madras, and the Ld. Official Liquidator is yet to take charge of the Company, value of Fixed Assets / Depreciation continue to be shown / calculated as per existing practices; actual assessment of useful life has not been carried out.</p> <p>b. Under the circumstances as explained above / earlier, as the operations of the Company are already under standstill, current-year depreciation to the extent of Rs 72.81 lacs for the year mentioned under Note No.30.31 has not been provided for.</p>
4.	<p>Contingent liabilities for disputed claims against the Company are not determined and disclosed fully. In the absence of relevant information, the impact thereof on the financial statements cannot be ascertained. (Refer Note No. 30.1)</p>	<p>The concerned legal cases are in various stages of defense and appeal. It was not possible to estimate the liability of the Company in the absence of final verdicts.</p>
5.	<p>The Company has not fully created provision for bad and doubtful debts and for non moving inventory as the Company has closed the operations since 2013 and the receivables & inventory may not realize the amount stated therein. In the absence of relevant information, the impact thereof on the financial statements cannot be ascertained.</p>	<p>The Audit committee and the Board were of the opinion that it is not appropriate to make a general provision for doubtful debts above three years and non-moving inventory above five years. Instead it was decided that the Debtors and Inventory should be analyzed in detail and provisions should be specifically made for only those items which are non-recoverable debts and obsolete inventory. The matter is pending, since the Official Liquidator has not yet taken charge.</p>

6	<p>The Company has not created liability for cases which are held unfavorable to the company and where further appeal is not possible or further appeal may not fructify as advised by the solicitors. Consequently Current liabilities and Loss is understated. However in absence of relevant information quantification cannot be made .</p>	<p>The concerned legal cases are still in various stages of defense and appeal. It was not possible to estimate the liability of the Company in the absence of final verdicts. In view of the status of the Company as stated earlier, relevant information continue to be stated as per previous practices.</p>
7.	<p>The Company has not created Debenture Redemption Reserve as required by the terms of issue. Consequently Other Equity - Reserves & surplus (-) and loss is understated (Refer Note No. 30.3 also).</p>	<p>In view of the status of the Company as stated earlier, relevant information continue to be stated as per previous practices.</p>
8.	<p>Balances under advances, deposits, receivables, bank accounts, current liabilities, long term borrowings are subject to confirmation, reconciliation and consequential adjustments. However, the impact thereof on the financial statements cannot be ascertained. (Refer Note No. 30.7 also).</p>	<p>Confirmation certificates are not received since the transactions had already come to standstill. The actual outstanding amounts due have been disclosed in the financial statements</p>
9	<p>Penalty and interest for non /delayed statutory compliances i.e. Income tax, GST , Excise Duty, Sales tax etc are not provided for. Consequently, loss and Other Current Liabilities are understated. However, we are unable to quantify the impact thereof on the financial statements.</p>	<p>The demands are in various stages of defense and appeal. In view of the status of the Company as stated earlier, relevant information continue to be stated as per previous practices.</p>
10	<p>Finance cost to the extent of Rs 3,94,503.27 lakhs, are not provided for (Refer Note No. 30.30 also), consequently the Loss & Liabilities are understated to this extent.</p>	<p>Current-year finance costs indicated under note 30.30, not provided for, since the High Court had accepted the winding-up recommendation, ALL the employees have been relieved, but the Official Liquidator is yet to take charge.</p>
	<p>Material Uncertainty related to Going Concern</p> <p>We draw attention to Note No. 3 in the financial statements which indicates that the company has accumulated losses and its net worth has been fully eroded, the Company has incurred a net loss during the current and previous year(s) and, the Company's current</p>	<p>As explained earlier, the Company is in the process of being wound up statutorily under the orders and directions of the Hon'ble High Court of Madras. However, the Official Liquidator is yet to take charge of the Company. In February 2014, the Cabinet Committee on Economic</p>

<p>liabilities exceeded its current assets as at the balance sheet date. The company is in the process of being wound up statutorily under the orders & directions of the Hon'ble High Court of Madras (Refer Note No. 30.11 also)</p> <p>These events or conditions indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as going concern. Our opinion is not modified in respect of this matter.</p>	<p>Affairs (CCEA) of the Govt. of India decided to take necessary steps for the closure of the Company.</p> <p>All the employees of the Company stand relieved with effect from 30.06.2016 or earlier, in different batches, and as such, there are no employees on the rolls of the Company. Under these circumstances, the Financial Statements of the Company continued to be prepared on going concern basis since the Official Liquidator has not yet taken charge of the Company.</p>
<p>Adverse Opinion</p> <p>In our opinion and to the best of our information and according to the explanations given to us, because of the significance of the matter discussed in the Basis for Adverse Opinion section of our report, the financial statements do not give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at March 31st 2019, of its loss, and the cash flows for the year then ended.</p>

INDEPENDENT AUDITOR'S REPORT

To The Members Of Hindustan Photo Films Mfg Co. Limited

Report on the Audit of the Financial Statements

Adverse Opinion

We have audited the financial statements of Hindustan Photo Films Mfg Co. Limited (the company), which comprise the balance sheet as at March 31st 2019, the statement of profit and Loss, and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion and to the best of our information and according to the explanations given to us, because of the significance of the matter discussed in the Basis for Adverse Opinion section of our report, the financial statements do not give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at March 31st 2019, of its loss, and the cash flows for the year then ended.

Basis for Adverse Opinion

1. The company has not prepared the financial statements on liquidation basis, though it ceases to be a going concern as winding up recommendation is accepted by Hon'ble high court, however, the Official Liquidator is yet to take charge (Ref Note no.30.11). We are unable to determine consequential adjustments to items of financial statements.
2. The Company has not prepared Ind AS Financial Statement as required under Section 133 of the Act, read with relevant rules issued there under. Further the financial Statement does not comply with the requirement of Companies Act 2013 -Division II - Schedule III and Framework for preparation and presentation of Financial Statements in accordance with Indian Accounting Standard with regard to classification/sub classification of line items/sub line items and other requisite disclosure (also notes providing additional information) including the following:
 - i. Long term borrowings consisting of loans and debentures from various financial institutions are classified as non Current liabilities. Since the Company has breached the terms of agreement regarding repayment of loan and interest it does not have unconditional right to defer the settlement and consequently the same should be classified as Current Liability. (Refer Note no. 5)
 - ii. Non disclosure of Nature of security, repayment terms and details of default in repayment of principal and interest.
- 3.Regarding Property, Plant and Equipment, Capital-Working-Progress (CWIP) and Depreciation:
 - a. The Company has not carried out assessment of useful life and hence no impairment has been charged to profit & Loss. In the absence of relevant

information, the impact thereof on the financial statements cannot be ascertained. (Refer Note no.30.27)

- b. The Company has not provided depreciation to the extent of ₹72.81 lacs for the year (Refer Note no.30.31 also) Moreover for earlier years, depreciation was provided on straight line basis with regards to asset existing as on 31.03.1987 at the rates prescribed in the Income Tax Act 1961 and in respect of assets acquired thereafter at the rates prescribed in the Companies Act, 1956 which is not as per the requirements of the Companies Act 2013 which mandates calculation of depreciation as per useful life of the asset. In the absence of relevant information, the impact thereof on the financial statements cannot be ascertained. (Refer Note no.31.4)
4. Contingent liabilities for disputed claims against the Company are not determined and disclosed fully. In the absence of relevant information, the impact thereof on the financial statements cannot be ascertained. (Refer note no. 30.1)
5. The Company has not fully created provision for bad and doubtful debts and for non moving inventory as the Company has closed the operations since 2013 and the receivables & inventory may not realize the amount stated therein. In the absence of relevant information, the impact thereof on the financial statements cannot be ascertained.
6. The Company has not created liability for cases which are held unfavourable to the company and where further appeal is not possible or further appeal may not fructify as advised by the solicitors. Consequently Current liabilities and Loss is understated. However in absence of relevant information quantification cannot be made.
7. The Company has not created Debenture Redemption Reserve as required by the terms of issue. Consequently Other Equity - Reserves & Surplus(-) and loss is understated. (Refer note no. 30.3 also)
8. Balances under advances, deposits, receivables, bank accounts, current liabilities, long term borrowings are subject to confirmation, reconciliation and consequential adjustments. However, the impact thereof on the financial statements cannot be ascertained. (Refer note no. 30.7 also)
9. Penalty and interest for non /delayed statutory compliances i.e Income tax, GST, Excise Duty, Sales tax etc are not provided for. Consequently, loss and Other Current Liabilities are understated. However, we are unable to quantify the impact thereof on the financial statements.
10. Finance cost to the extent of ₹ 3,94,503.27 lakhs, are not provided for (Refer note 30.30 also), consequently the Loss & Liabilities are understated to this extent.

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company in accordance with the Code of Ethics and provisions of the Companies Act, 2013 that are relevant to our audit of the financial statements in India under the Companies Act, 2013, and we have fulfilled our other ethical

responsibilities in accordance with the Code of Ethics and the requirements under the Companies act, 2013. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse opinion.

Material Uncertainty related to Going Concern

We draw attention to Note 3 in the financial statements which indicates that the company has accumulated losses and its net worth has been fully eroded, the Company has incurred a net loss during the current and previous year(s) and, the Company's current liabilities exceeded its current assets as at the balance sheet date.

The company is in the process of being wound up statutorily under the orders & directions of the Hon'ble High Court of Madras (Refer note no 30.11 also)

These events or conditions indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as going concern. Our opinion is not modified in respect of this matter.

Key Audit Matters

Except for the matter described in the Basis for Adverse Opinion & Material uncertainty related to going concern section, we have determined that there are no key audit matters to communicate in our report.

Responsibilities of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a

material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies(Auditor’s Report) Order, 2016 ('the Order') issued by Central government of India in terms of sub section (11) of section 143 of the Act, we give in the “Annexure A” a statement on matters specified in the paragraph 3 and 4 of the order, to the extent applicable.

Annexure “B” To The Independent Auditor’s Report Of Even Date On The Financial Statements Of Hindustan Photo Films Mfg Co. Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of HINDUSTAN PHOTO FILMS MFG CO. LIMITED (“the Company”) as of March 31, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Adverse Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at March 31, 2019:

1. Deficiencies observed in design of internal controls:
 - a. Deficiency in control over the selection and application of the accounting principles and preparation of financial statements in conformity with the Indian Accounting Standards.
 - b. Internal Audit system not in vogue.
2. Failures observed in the operations of internal control:

Failure to comply with requirement of Audit Committee and filing of documents with stock exchange.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting; such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, because of effects of the material weakness described above on the achievement of the objectives of the control criteria, the Company has not maintained adequate & effective internal financial controls over financial reporting as of March 31, 2019, based on, “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2019 financial statements of the Company, and these material weaknesses have affected our opinion on the financial statements of the Company and we have issued an Adverse opinion on the financial statements.
