ANSWER

MINISTER OF STATE IN THE MINISTRY OF HEAVY INDUSTRIES AND PUBLIC ENTERPRISES (SHRI G.M. SIDDESHWARA)

(a)&(b): Madam, at present there is no recall policy in the country. Ministry of Road Transport & Highways has initiated steps for bringing mandatory Recall Policy. A holistic approach is proposed in the upcoming draft Road Transport and Safety Bill 2014. It is in the process of notifying a policy on Vehicles Recall, the latest version of which is also hosted on the website of Ministry of Road Transport & Highways.

The industry has announced a voluntary code on vehicle recall in July 2012. Since July 2012, whenever a safety defect which poses risk of accident or harm to the vehicle occupant is recognized in vehicles, the manufacturers conduct a voluntary recall and offer to rectify the vehicles free of charge. There is an increased awareness and initiatives among the vehicle manufacturers to perform recalls when necessary. Since the initiative taken by Indian industry, more than 1 million vehicles have been recalled. The list of vehicle recall is annexed.

(c)&(d): No, Madam. Does not arise.
