

GOVERNMENT OF INDIA
MINISTRY OF HEAVY INDUSTRIES AND PUBLIC ENTERPRISES
DEPARTMENT OF HEAVY INDUSTRY

LOK SABHA
UNSTARRED QUESTION NO.3623
TO BE ANSWERED ON 11.08.2015

BHEL

3623. SHRI RAJESH KUMAR DIWAKER:

Will the Minister of HEAVY INDUSTRIES AND PUBLIC ENTERPRISES be pleased to state:

- (a) the total manufacturing capacity and turnover of Bharat Heavy Electricals Limited (BHEL) during each of the last three years and the current year, unit-wise;
- (b) whether the BHEL's capability to increase power is decreasing continuously for last few years, if so, the details thereof and the reasons therefor;
- (c) whether BHEL has any proposal/ proposes to augment its production/ functioning capacity by setting up of some new power projects and if so, the details thereof;
- (d) whether the lack of management capacity in BHEL is one of the major obstacle in achieving the targets and if so, the details thereof; and
- (e) the corrective steps being taken by the Government in this regard?

ANSWER

MINISTER OF STATE IN THE MINISTRY OF HEAVY INDUSTRIES AND PUBLIC ENTERPRISES (SHRI G.M. SIDDESHWARA)

(a): Bharat Heavy Electricals Limited (BHEL) has established manufacturing capacity/capability to deliver 20,000 MW p.a. of main plant equipment for power projects in March 2012. Accordingly, total manufacturing capacity/capability during the past three years and current year stands at the same level, the Unit-wise details of which is given at **Annexure-1**. Further, the unit-wise turnover of BHEL during each of the last three years and current year viz. 2012-13, 2013-14, 2014-15 and 2015-16 (till June 2015) is given at **Annexure-2**.

(b): No, Madam. The inherent and core capabilities of BHEL have not decreased over the years.

(c): Presently, there is no proposal in BHEL to further augment its manufacturing capacity/capability to deliver from a level of 20,000 MW p.a. of main plant equipment for power projects. As regards augmentation of functioning capability, this is a continuous process in BHEL across different functions.

(d): No, Madam. BHEL has adequate manufacturing and managerial capability and this aspect is not a constraint in meeting of the targets.

(e): Department of Heavy Industry (DHI) as the administrative Ministry of BHEL undertakes review meetings with BHEL on a regular basis and through suitable interventions provides required support in taking up the issues with other Government Agencies / Departments / Ministries / customers etc.

Manufacturing Capacity Unit/Plant wise

S. No.	Manufacturing Unit / Plant of BHEL	Product	Unit	Installed Capacity (Physical) : FY 2012-13 to FY 2015-16
1.	Heavy Electrical Plant, Bhopal	Hydro Turbine & Generator	MW	2,500
		Steam Turbine	MW	250
2.	Heavy Electrical Equipment Plant, Haridwar	Steam Turbine & Generator	MW	13,020
3.	Heavy Power Equipment Plant, Ramachandrapuram/ Hyderabad	Gas Turbine & Generator	MW	1,955
		Steam Turbine & Generator	MW	2,160
4.	High Pressure Boiler Plant, Trichy	Boiler & Valves equivalent to	MW	15,135
