Revival of Instrumentation Limited

1231. SHRI M.B. RAJESH:

Will the Minister of HEAVY INDUSTRIES AND PUBLIC ENTERPRISES be pleased to state:

- (a) whether the Government has received the report and recommendations of the consultancy regarding the revival of Instrumentation Limited;
- (b) if so, the details thereof and major recommendations contained therein;
- (c) whether the Government has accepted these recommendations and initiated any action in this regard; and
- (d) if so, the details thereof and if not, the reasons therefor?

ANSWER

MINISTER OF STATE IN THE MINISTRY OF HEAVY INDUSTRIES AND PUBLIC ENTERPRISES (SHRI G.M. SIDDESHWARA)

(a): Yes Madam, Institute of Public Enterprises (IPE), Hyderabad was appointed as consultant by Instrumentation Limited (ILK) for carrying out the “feasibility study for creating Palakkad Unit of Instrumentation Limited, Kota as an independent entity of ILK”. The report of the consultant was forwarded by ILK to the Govt. and the same has been received.

(b): The major recommendations include keeping both Palakkad and Kota unit of ILK together under Department of Heavy Industry. Further, it has been mentioned that separation of Palakkad Unit from IL, Kota Unit, as a separate entity would be disadvantageous.

(c) & (d): The Government is exploring various options to decide on the future of ILK.
