GOVERNMENT OF INDIA MINISTRY OF HEAVY INDUSTRIES & PUBLIC ENTERPRISES DEPARTMENT OF HEAVY INDUSTRY LOK SABHA UNSTARRED QUESTION NO. 1939 ANSWERED ON 03.03.2020

FAME INDIA SCHEME

1939. SHRI NIHAL CHAND: SHRIMATI JASKAUR MEENA:

Will the Minister of HEAVY INDUSTRIES AND PUBLIC ENTERPRISES भारी उद्योग एवं लोक उद्यम मंत्री be pleased to state:

(a) the salient features of the Faster Adoption and Manufacturing of Hybrid and Electric Vehicles in India(FAME India) scheme;

(b) whether the Government has given approval to set up electric charging stations in the country under FAME India II and if so, the details thereof, State-wise;

(c) whether the Government is contemplating to setup electric charging station in Rajasthan, if so, the details thereof and the time by which it is likely to be setup;

(d) whether the Government has identified the locations for the purpose and if so, the details thereof, district-wise;

(e) whether the Government has fixed any target in this regard and if so, the details thereof; and

(f) whether the Government has made any provision for the Scheduled Caste people in this regard and if so, the details thereof?

ANSWER

THE MINISTER OF HEAVY INDUSTRIES & PUBLIC ENTERPRISES (SHRI PRAKASH JAVADEKAR)

(a): Government approved Phase-I of FAME India Scheme in March, 2015 for a period of 2 years w.e.f 1st April, 2015 to promote adoption of Electrical Vehicles with an aim to reduce dependency on fossil fuel and to address issues of vehicular emissions. The Phase-I of the Scheme was extended from time to time and the last extension was allowed till 31st March, 2019. Based on outcome and experience gained during the Phase-I of FAME India Scheme and after having consultations with all stakeholders including Industry and Industry Associations, the Government notified Phase-II of FAME India Scheme on 8th March, 2019, which is for a period of three years commencing from 1st April, 2019 with a total budgetary support of Rs. 10,000 crore. This phase will mainly focus on supporting electrification of public & shared transportation, and aims to support through incentive about 7000 e-Buses, 5 lakh e-3 Wheelers, 55000 e-4 Wheeler Passenger Cars and 10 lakh e-2 Wheelers. In addition, creation of charging infrastructure will also be supported under the Scheme.

(b) to (f): Yes, Sir. The FAME-India Scheme Phase-II envisages support for setting up of adequate public charging infrastructure to instill confidence among EV users, through active participation and involvement of various stakeholders including Government agencies, industries and Public Sector Enterprises (PSEs). A budget provision of Rs. 1000 Crore for a period of 3 years [2019-20 to 2021-22] has been earmarked for establishment of charging infrastructure under this Phase of FAME Scheme. Department of Heavy Industry had invited the Expression of Interest (EoI) from million-plus cities, smart cities, State/UT capitals and cities from special category states for submission of proposal for availing infrastructure within Cities. In response to the proposals received under this EoI, Department of Heavy Industry has sanctioned 2,636 Electric Vehicles (EVs) Charging Stations amounting to Rs 500 Crore (Approx.) in 62 cities across 24 States/UTs under FAME India (Faster Adoption and Manufacturing of Hybrid & Electric Vehicles in India) scheme phase II as per details annexed at ANNEXURE-I.
