National Electric Mobility Mission

181. SHRI MAHEISH GIRRI:
SHRI D.K. SURESH:

Will the Minister of HEAVY INDUSTRIES AND PUBLIC ENTERPRISES be pleased to state:

- (a) whether the Government has formulated a National Electric Mobility Mission Plan 2020;
- (b) if so, the details thereof along with its main objectives;
- (c) whether the Government has set any targets to be achieved under the said Mission; and
- (d) if so, the details thereof including the target fixed for Delhi/NCR under the Mission?

ANSWER

MINISTER OF STATE IN THE MINISTRY OF HEAVY INDUSTRIES AND PUBLIC ENTERPRISES
(SHRI G.M. SIDDESHWARA)

(a) to (c): Yes, Madam.

The scheme envisages to encourage progressive induction of reliable, affordable and efficient electric and hybrid vehicles (xEV) in the country that meet consumer performance and price expectation, through Government-Industry collaboration for promotion and development of indigenous manufacturing capabilities, required infrastructure, consumer awareness and technology; thereby helping India to emerge as a leader in the xEV Two Wheeler and Four Wheeler market in the world by 2020. The Mission aims at providing a clean transportation system to the people that is not dependent on gasoline based fossil fuel.

(d): No specific target for Delhi/NCR under the Mission has been fixed.
