

# **Invitation for MeitY-MHI Joint Call for Proposal for “Development of Electric Vehicles Sub-Systems (EVSS)”.**

The Ministry of Electronics and Information Technology (MeitY) in collaboration with the Ministry of Heavy Industries (MHI) is pleased to announce a joint call for proposals aimed at the development of Electric Vehicles Sub-Systems (EVSS). The initiative seeks to accelerate innovation and technological advancements in the Electric Vehicle (EV) sector by inviting academic institutions, R&D organisation, start-ups and industries to contribute their expertise and ideas. The focus is on developing cutting-edge subsystems that enhance the efficiency, safety, and performance of electric vehicles. This joint effort underscores the government's commitment to support the transition to cleaner energy solutions and fostering a robust ecosystem for electric mobility in India

- **Evaluation Criteria:** Technical feasibility, realization as product, potential impact, alignment with national goals for sustainable transportation etc.
- **Last date of proposal submission:** 20 November 2024 till 12:00 PM.
