

GOVERNMENT OF INDIA  
MINISTRY OF HEAVY INDUSTRIES  
LOK SABHA  
UNSTARRED QUESTION NO. 364  
ANSWERED ON 22.07.2025

**NEMMP AND FAME SCHEME**

**364. SHRI BIDYUT BARAN MAHATO:**

**Will the Minister of HEAVY INDUSTRIES be pleased to state:**

- (a) the objectives and achievements of the National Electric Mobility Mission Plan (NEMMP) and Faster Adoption and Manufacturing of Hybrid and Electric Vehicles (FAME) scheme in reducing vehicular emissions;
- (b) the number of Electric Vehicles (EVs) supported under the scheme so far and the extent of infrastructure developed; and
- (c) whether the Government plans to expand the FAME scheme to Tier-2 and Tier-3 cities and promote local EV manufacturing?

**ANSWER**  
**THE MINISTER OF STATE FOR HEAVY INDUSTRIES**  
**(SHRI BHUPATHIRAJU SRINIVASA VARMA)**

**(a) & (b):**

1. The National Electric Mobility Mission Plan (NEMMP) 2020 is a National Mission document providing the vision and the roadmap for the faster adoption of electric vehicles and their manufacturing in the country. As part of the NEMMP 2020, the Ministry of Heavy Industries formulated a Scheme namely; Faster Adoption and Manufacturing of (Hybrid &) Electric Vehicles in India (FAME India) Scheme in 2015 to promote adoption of electric/ hybrid vehicles (xEVs) in India. The second phase of FAME India scheme was implemented during 01.04.2019 till 31.03.2024.
2. **FAME-I (2015 - 2019):**  
**Objectives:** FAME-I was formulated to with the objective to support hybrid/electric vehicles market development and manufacturing eco-system.

The number of EVs that have been supported under the scheme FAME-I are as under : -

<b>Segment</b>	<b>No. of EVs Supported</b>
e-2W	1,51,648
e-3W	786
e-4W	1,02,446
e-bus	425
<b>Total</b>	<b>2,55,305</b>

Under FAME-I, approximately 520 charging stations/infrastructure were sanctioned with an amount of ₹43 crore.

**3. FAME-II (2019-2024)**

**Objectives of FAME-II :** - The key objectives of FAME-II are given below:

1. To encourage adoption of electric and hybrid vehicles by the way of market creation, demand aggregation and other related activities.
2. To promote domestic technology for development of electric vehicles and its components ecosystem.
3. To promote manufacturing of Zero Emission Vehicles (ZEV) and hybrid vehicles within the country by the way of supporting manufacturing ecosystem.
4. Creating strong, globally competitive, viable and self-sustaining xEV industry.
5. To contribute to country's efforts for low emission intensive economy as agreed in COP 21.
6. To contribute for reduction of vehicular emission especially from cities.

The number of EVs that have been supported under the scheme FAME-II 30.06.2025 are as under :

(Nos.)

<b>Category</b>	<b>No. of EVs Supported</b>
e-2Ws	14,35,065
e-3Ws	1,65,029
e-4Ws	22,644
e-Buses	5,165 (6,862 - Committed)
<b>Total</b>	<b>16,29,600</b>

Under the FAME-II Scheme, a total of Rs. 912.50 crore has been sanctioned for installation of 9,332 EV PCS, out of which 8,885 EVPCS have been installed, as on 30<sup>th</sup> June, 2025.

(c): The FAME schemes were applicable all across the country including Tier 2 and Tier 3 cities. The FAME-I Scheme duration was 2015-2019 and the duration of FAME-II scheme was 2019-2024.
