

GOVERNMENT OF INDIA
MINISTRY OF HEAVY INDUSTRIES
LOK SABHA
UNSTARRED QUESTION NO. 3717
ANSWERED ON 12.08.2025

IMPLEMENTATION OF EMPS AND FAME SCHEMES IN CHHATTISGARH

‡3717. SHRI BRIJMOHAN AGRAWAL:

Will the Minister of HEAVY INDUSTRIES be pleased to state:

- (a) the details of Electric Mobility Promotion Scheme and the manner in which the Centre is providing assistance to the State;
- (b) the scheme for faster adoption and manufacturing of (hybrid) and electric vehicles;
- (c) the number of applications received by the Government from the residents of Chhattisgarh under these schemes during the last three financial years, the details of the number of applications and total subsidy released;
- (d) the current reimbursement status of these subsidy applications, the time limit for clearing these applications which are pending; and
- (e) the amount allocated by the Government to the State Government for vehicle subsidy, the details of pendency and the reasons for delay in payment of pending amount?

ANSWER
THE MINISTER OF STATE FOR HEAVY INDUSTRIES
(SHRI BHUPATHIRAJU SRINIVASA VARMA)

(a), (b) & (e): The Electric Mobility Promotion Scheme (EMPS) 2024, notified on 13th March, 2024, was implemented for a period of six months from 1st April, 2024 till 30th September, 2024 for faster adoption of e-2W & e-3W and development of their manufacturing eco system, with an outlay of Rs.778 crore.

The scheme for faster adoption and manufacturing of (hybrid) and electric vehicles phase II (FAME-II) was implemented from 1st April, 2019 to 31st March, 2024, with an outlay of Rs.11,500 crore. FAME-II scheme provided demand incentives for e-2W, e-3W & e-4W as well as grant for e-buses and setting up of electric vehicle (EV) public charging stations.

Under these two schemes, subsidy is provided to buyers of EVs in the form of an upfront reduction in the purchase price of EVs, which is later reimbursed to the Original Equipment Manufacturers (OEMs) by the Ministry of Heavy Industries (MHI). Under FAME-II Scheme & EMPS 2024, there is no provision for state wise allocation of subsidy.

(c) & (d): There is no provision for buyers of EVs to make an application for claiming subsidy under FAME-II and EMPS 2024. Under these two schemes, the subsidy is provided to buyers of EVs in the form of an upfront reduction in the purchase price of EV. Therefore, the question of any pending application for subsidy under FAME-II or EMPS 2024 from EV buyers, including those in Chhattisgarh, does not arise. The details of EVs sold in the state of Chhattisgarh under the FAME-II Scheme and EMPS 2024 are tabulated below:

Sl. No.	Period	No. of EVs sold	Total amount of subsidy paid to beneficiaries (in Rs. crore)
1	FAME-II (01.04.2022 – 31.03.2024)	33,552	121.26
2	EMPS-2024 (01.04.2024 to 30.09.2024)	13,091	16.74
