INDEPENDENT AUDITOR'S REPORT

To

The Members of Bharat Pumps & Compressors Limited

Report on the Audit of the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **Bharat Pump & Compressors Limited** ("the Company"), which comprise the Balance Sheet as at 31st March 2025, statement of Profit and Loss and statement of Cash Flow for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory notes for the year ended on that date (collectively hereinafter referred to as the standalone financial statements).

Opinion:

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of matters described in the basis for qualified opinion section of our report (cumulative effect of our qualified opinion is understatement of loss (PAT) by Rs.2175.49 lakh), the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its **Loss** and its cash flows for the year ended on that date.

Basis for Qualified Opinion

(a) Rs. 2175.49 lakh- Non provision of interest on Govt. Loan:

We draw attention to note no. 29(iv) wherein it is stated by the company's management that financial statement is prepared with some deviation in applying going concern concept because Ministry of Heavy Industry, Govt. of India has communicated decision of Union Cabinet vide letter Dated 17.12.2020 to shutting down the operation and closure of the company. Accordingly, the company has not provided interest liability on Govt. Loan amounting to Rs. 2175.49 lakh. As such, this is violation of accounting principle/ Accrual Concept.

(b) Non-Quantification of pending court cases under Contingent Liabilities:

Attention is drawn to Note No. 29 (xvii) (a) (1) relating to contingent liabilities with regard to civil suits for 3 cases amounting to Rs.780.00 lakh out of 10 cases. No quantification is done for

remaining 7 cases.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the standalone financial statements.

Other Matter – Opinion related to Going Concern :

We draw attention to Note No. 29(i),(ii) &(iii) wherein it is stated by the company's management that Stand alone financial statement is prepared with some deviation in applying going concern concept because Ministry of Heavy Industries, Govt. of India has communicated decision of Union Cabinet vide letter Dated 17.12.2020 to shutting down the operation and closure of the company and freezing of some liabilities. As per discussion with the management, operation of company is already shut down during 2021-22, all movable assets have been sold out, land & permanent structure has also been handed over to U.P. Govt during 2022-23 and other immovable assets (residential flats) has been transferred to NLMC(National Land Monetization Corporation) at book value and balance closure activities are under process. Accordingly, the company will be wind up formally in time bound manner. In our opinion, the company is no more going concern and our report is suitably modified.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon :

The Company's Board of Directors is responsible for the other information. The other information comprises of the information included in the Board's Report including Annexure to Board's Report, Business Responsibility Report but does not include the standalone financial statements and our auditor's

report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of the other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for Standalone Financial Statements :

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of "the Act" read with relevant rules issued there under.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of "the Act" for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent, and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going Concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements:

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

THE STANDALONE FINANCIAL STATEMENTS OF
BHARAT PUMPS & COMPRESSORS LIMITED.**

(Referred to in paragraph 3 under the heading 'Report on Other Legal and Regulatory Requirements' of our report of even date on the standalone financial statements of the company for the year ended March 31, 2025).

REPORT ON THE INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING UNDER CLAUSE (i) OF SUB SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

We have relied on discussion with management and reply given in line with questionnaire on the Internal Financial Controls over financial reporting of BHARAT PUMPS & COMPRESSORS LTD in conjunction with our audit of the standalone financial statement of the company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS:

The company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, (implementation and maintenance of

adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the companies Act, 2013.

AUDITORS' RESPONSIBILITY:

Our responsibility is to express an opinion on the company's Internal Financial Controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards of Auditing issued by ICAI and deemed to be prescribed under Section 143 (10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors judgment, including the assessment of the risks of material misstatement of the financial statement whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the company's internal financial control system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING :

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statement for external purposes in accordance with the generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company, and
- (c) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATION OF INTERNAL FINANCIAL CONTROL OVER FINANCIAL REPORTING :

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of control, material misstatement due to error or fraud may occur and not be detected. Also projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risks that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION :

In our opinion, to the best of our information, according to the explanations given to us, the company has not performed any production activity during the year but followed the material aspects with respect all other financial transactions relating to internal financial control system over financial reporting as at March 31, 2025 based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.
