To Whom It May Concern

This is to confirm that SaralX Accessibility Private Limited (SaralX) conducted a comprehensive digital accessibility audit of the Ministry of heavy industries website (<https://heavyindustries.gov.in/>) between February 2025 and December 2025. The audit was carried out in accordance with internationally and nationally recognized accessibility standards, namely the Web Content Accessibility Guidelines (WCAG) 2.2 and the Bureau of Indian Standards IS 17802.

As part of this audit, a total of 492 accessibility issues were identified and reported across website. Following the audit, the ministry's development team has successfully resolved approximately 88.21% of the reported issues, significantly improving the accessibility of their website. These fixes have been reviewed and verified by the SaralX team to ensure compliance with the applicable accessibility standards. Please refer VPAT reports for more accurate understanding of the website's accessibility.

We commend the ministry team for their proactive efforts and commitment towards building a more inclusive digital experience for users with disabilities.
