i-Factory Network

A network of 10 cutting-edge Industry 4.0 experience centers acting as torchbearers for promoting innovation and adoption of Industry 4.0 solutions in order to make Indian Industries globally competitive across sectors and parts of the country in alignment with national priorities.

OUR FOCUS

- Co-creating the future of manufacturing
- Accelerating the adoption of Industry 4.0 Solutions
- Unlocking the power of Digital Transformation, promoting collaboration and knowledge sharing

Beneficiaries

- Industry professionals, managers and leaders
- Lifelong learners and change embracers
- Digital transformation evangelist
- Aspiring entrepreneurs
- Students, faculties, career advancers and innovators

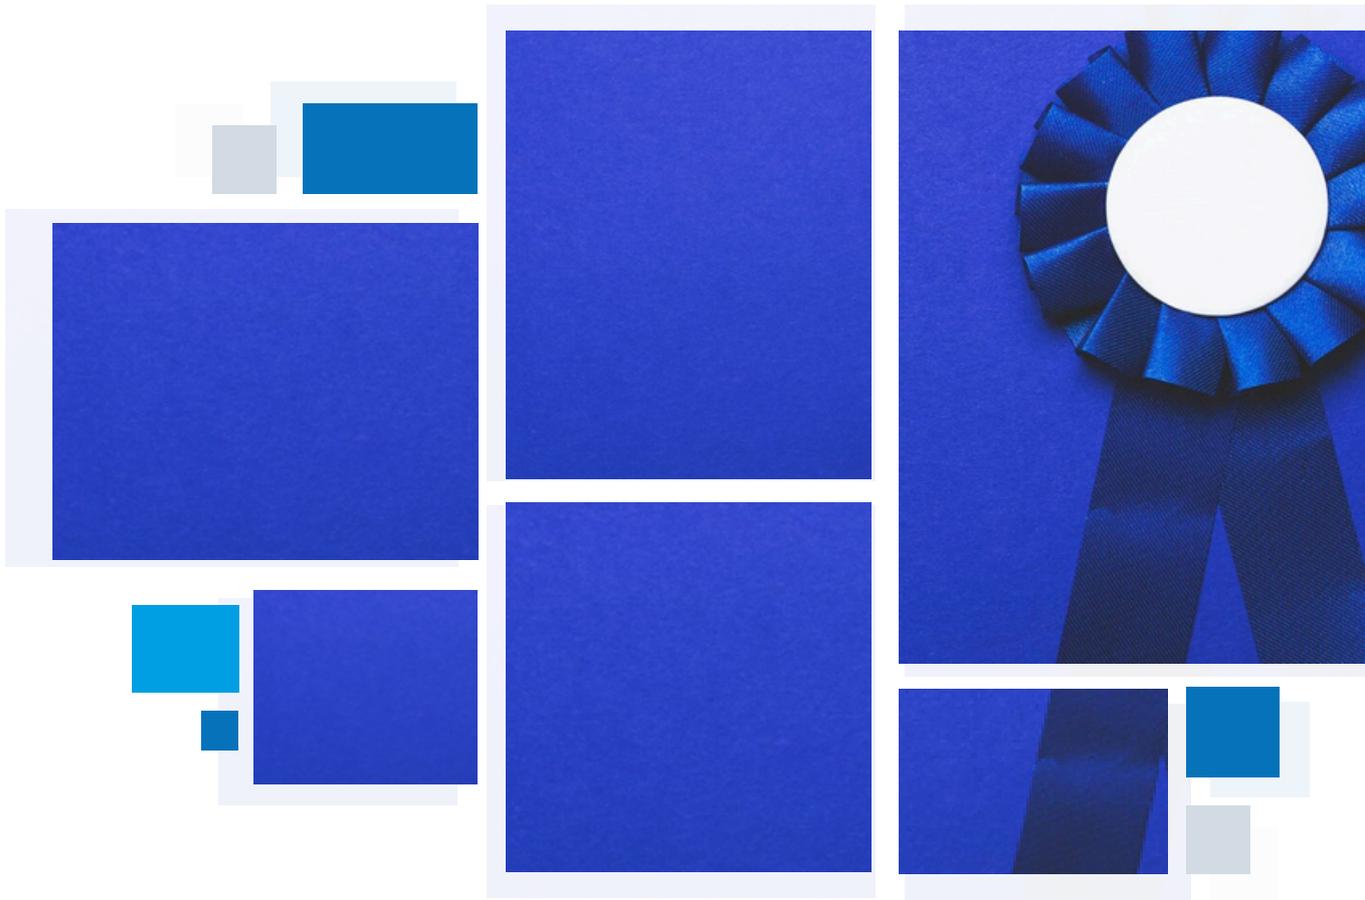

Industry 4.0 Hands-on Training

The Industry 4.0 Hands-on Training, allows participants to interact, learn and understand the impact of different digital solutions.

The training will provide an overview of the basic concepts of

- Industry 4.0 production strategies
- Skill building through the iFactory Training includes both theoretical (in-classroom) and shop-floor experiential learning sessions.

KEY ACHIEVEMENTS

- Pune: 24 professionals and students from various organisations participated in the AI Bootcamp under the Elevate Program, gaining hands-on exposure to applied AI concepts and real-world industry use cases.
- Trichy: Indra Ganesan College of Engineering signed a Memorandum of Understanding (MoU) with the Tamil Nadu Small and Tiny Industries Association (TANSTIA) to collaborate on iFactory training programs. This partnership enables structured skill development initiatives and extends iFactory training benefits to industries affiliated with TANSTIA.
- Indore: The iFactory Lab hosted representatives from 14 organizations, fostering cross-industry networking and knowledge sharing, and welcomed 7,400+ students from 87+ schools as part of an Industry 4.0 awareness initiative to introduce advanced manufacturing technologies.
- Jamshedpur: As part of a collaborative initiative, more than 140 National Tool Room and Training Centre (NTTF) students and trainers were trained at the iFactory Lab, enhancing industry-relevant skills through hands-on learning.

TRAIN THE TRAINER PROGRAM

Program Summary

As we conclude our efforts in January 2026, we step into February 2026 with renewed energy and a bold vision for the future. Our mission is to amplify our impact by accelerating the adoption of Industry 4.0 and expanding the i-Factory Network across India. These cutting-edge advancements will be instrumental in driving society’s digital transformation, fostering innovation, and ensuring sustained growth in the years ahead.
