ANSWER
THE MINISTER OF STATE FOR HEAVY INDUSTRIES
(SHRI BHUPATHIRAJU SRINIVASA VARMA)

(a) to (d): Government approved the PLI Scheme for Automobile and Auto Component Industry in India (PLI-Auto) with a budgetary outlay of Rs.25,938 crore for enhancing India's manufacturing capabilities for Advanced Automotive Products (AAT) on 23/09/2021. The status of implementation of PLI-Auto scheme across all states (incl Rajasthan) is as below:-

Parameter	Cumulative till 31.03.2026
Investment (Rs. cr)	44,326
Incremental Sales (Base Year FY2019-20) (Rs. cr)	52,414
Employment generated (Nos.)	67,820
Incentive disbursed (Rs. cr)	2,386.36

To boost domestic manufacturing and localisation of AAT products, scheme mandates minimum Domestic Value Addition (DVA) of 50% for availing incentives under the scheme and as on 16.07.2026, 18 applicants have received DVA certificates for 154 products/variants.

(e) & (f): PLI-Auto scheme is implemented on pan India basis (including state of Madhya Pradesh) and approved applicants are free to set up units anywhere in the country. No special incentives are provided under the scheme to any state.
