

F.No. 1(06)/2019-NAB-II (Auto) (21349)  
GOVERNMENT OF INDIA  
MINISTRY OF HEAVY INDUSTRIES AND PUBLIC ENTERPRISES  
DEPARTMENT OF HEAVY INDUSTRY

Udyog Bhavan  
NEW DELHI-110011  
Dated 09<sup>th</sup> December 2020

**Corrigendum**

In partial modification of Expression of Interest (Eoi) issued by Ministry of Heavy Industries and Public Enterprises, Department of Heavy Industry Inviting Proposals for availing incentives under Fame India Scheme Phase II for deployment of EV charging infrastructure on Highways/Expressways Vide F.No. 1(06)/2019-NAB-II (Auto) (21349) dated 12<sup>th</sup> October 2020,

S.No	Reference / Para Invitation of Eoi	Existing provision	Revised provision
1	<b>Page 1:</b> Last date of Submission of Proposal	Last date of Submission of Proposal: 7 <sup>th</sup> December 2020	Last date of Submission of Proposal: <b>28<sup>th</sup> December 2020.</b>
2	<b>Para 4</b>	*Installation of Minimum one charging station at every 25 kms on both sides of Highway/Road and minimum one Long Range/Heavy Duty charging station at every 100 kms on both sides of Highway/Road, as mentioned under para 4.	*Installation of Minimum one charging station at every 25 kms on both sides of Highway/Road and minimum one Long Range/Heavy Duty charging station at every 100 kms on both sides of Highway/Road, as mentioned under para 4. However in case of Elevated/closed Highway/Road criteria of installation of Minimum one charging station at every 25 kms on both sides of Highway/Road is relaxed as given in para 5(b)
3	<b>Para 5 (b):</b> Essential requirements for submitting a proposal under this EOI	Each entity shall install at least one charging station at every 25 kms on both sides of the Highway and also atleast one Charging Station for Long Range/Heavy Duty EVs at every 100 kms on both sides of the Highway, in accordance with the Ministry of Power's revised guidelines/standards for charging infrastructure for Electric Vehicles (EVs), dated 01st October, 2019.	Each entity shall install at least one charging station at every 25 kms on both sides of the Highway and also atleast one Charging Station for Long Range/Heavy Duty EVs at every 100 kms on both sides of the Highway, in accordance with the Ministry of Power's revised guidelines/standards for charging infrastructure for Electric Vehicles (EVs), dated 01st October, 2019.  Relaxation to this clause will be given in respect of closed highways or elevated highways/expressways, where the entity will be required to install at least 4 charging stations for every 100 kms on both sides of the Highway and also atleast one Charging Station for Long Range/Heavy Duty EVs at every 100 kms on both sides of the Highway.  However, preference will be given for the proposals which offer at least one charging station at every 25 kms on both sides of the Highway and also atleast one Charging Station for Long Range/Heavy Duty EVs at every 100 kms on both sides of the Highway
